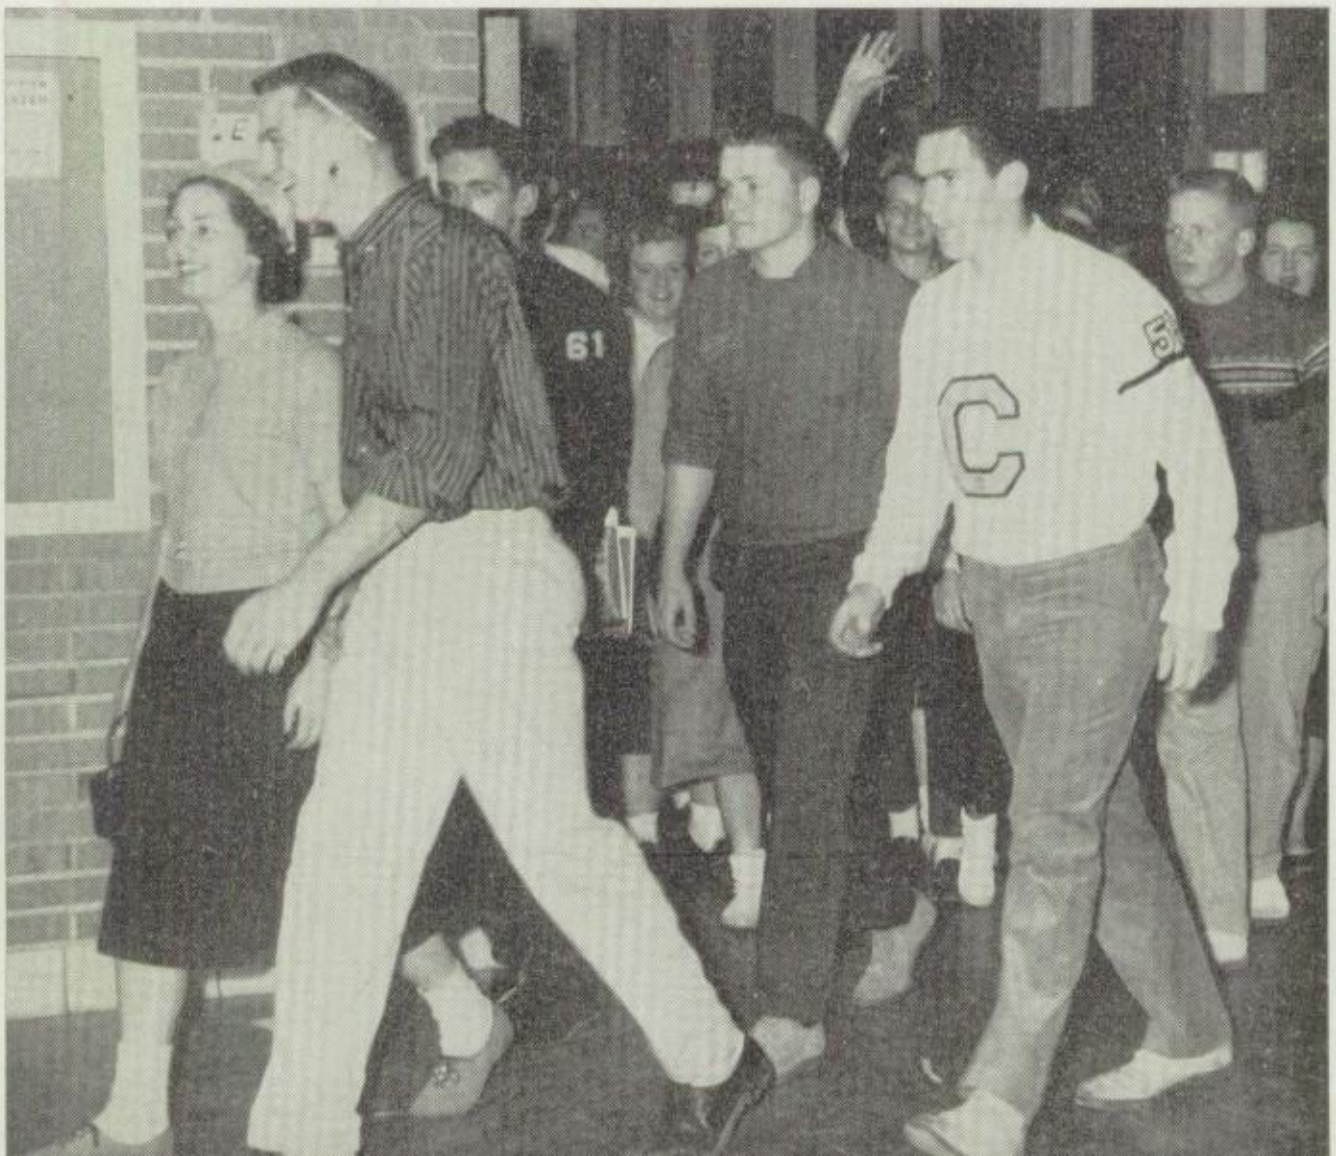
The Log of '59, a Record in Picture and Story of

John Springberg Joe Thompson

Memories, when they come floating back to us in the faraway future, will be memories not of a year but of days. This year will re-appear for us not as a neatly packaged parcel labelled 1958-'59 but as a succession of days on which special events occurred. There will be the day we started school and the day we finished. There will be the days of our pep meetings, our championships, our cramming for exams, our first date, our prom, our report cards, our plays, our parties, and our honors. Sit back now, and let the Log recall for you the days of our year at C. H. S.

Each day and every day the flag goes to the top of the staff.



We remember the day that school really started, and we went about the serious business of going to classes again.

the Days of Our Year

Jack English Robert Hudson
Roger Mannisto

Other days to remember—when we went to the gym to watch the play production actors perform.

Then there were the days we held mass meetings in the gym. Noise reigned supreme and the athletes were spurred on to victory.

One big day we crowned Loren Campbell and Donna Harris king and queen of C. H. S.

Sandra Weigel Rosemary Fairbanks Nancy Merren

We won't forget the day the hoop craze hit us.

Diane Dahlgren James Sandelius Linda Sims Michael Evans

Socially, the big day was the junior-senior prom.

Michael Evans Linda Sims
Donna Harris Lester Moyer

Big day for the Log staff — the 1959 Logs are distributed.

Finally, there's the day we start cramming for the last exams of the year.

Karen,

Remember the many good times we had during this past year at S. H. S. Keep up the good ole typing class. Keep also the wonderful personality you have and you will go along ways.

May God Bless You,

Sophomores and Juniors Get Organized

First job of the lower classes after school started was to elect officers for '58-'59. The juniors chose as president, James Dewey; vice president, Charles Tripp; secretary, Helen Jane Frier; treasurer, Benton Gibson. The sophomores selected for president, William Brauer; vice president, Bill Gelston; secretary, Judy Wiles; treasurer, Susan Ball. They set to work immediately to make their classes outstanding.

Left: Meeting with the salesmen is always a thrilling job for the junior ring committee. Seated are Margaret Miller, Merry Spoor, Helen Jane Frier, and Ann Spriggs. Standing are Dale Kuhn, Thomas Huckle, Jerry Arrington, James Dewey, Charles Tripp, and the Balfour Company salesman. **Right:** Ellen Hovey and Lawaine Horne look over the display of the committee's selections.

Ice cream sales were "on again, off again," according to how well the students obeyed the rules about staying in the cafeteria and properly disposing of the containers. As this picture was taken the juniors' concession was operating full blast as Linda Johnson and Mike Cedarstrom bought ice cream from Shirley Thompson and Willo Wilkinson.

The sophomores learned one of the senior high customs early in the year. The day we started CLASSWORK

Superintendent W. L. Gelston

Principal Rex Austin

They Make Policies for Our School Days

Carrying out the policies laid down by the Board of Education and assuming responsibility for the smooth functioning of all the Cadillac schools is the superintendent, W. L. Gelston. Directly under him is a man with whom we are more familiar, our principal Rex Austin. With a quick smile or a stern look he is the man who directs our days and insists that we make the most of our days at C. H. S.

Miss Kardell

Mrs. Lillie

In a little cubicle off the hall next to the superintendent's office we find a lady who always seems to be busy at a typewriter. That's Miss Kardell, secretary for Mr. Gelston. Her counterpart in Mr. Austin's office is Mrs. Lillie. Whenever any of us has any reason to visit the office, it's Mrs. Lillie to whom we make our first appearance.

Homemaking and family living are taught by **Wilma Keeler,** a senior class adviser. She has attended Central Michigan College, Michigan State University, and the University of Colorado and has a B. S. degree and a vocational certificate.

A busy man around school is **Gerald C. Lillie,** teacher of related training, director of adult education, and chairman of the industrial arts department. Mr. Lillie received his B. S. degree from Central Michigan College and attended Western Michigan, U. of M., and Michigan State.

Junior class adviser, **Eunice Malleaux,** teaches U. S. history and junior English. This tiny teacher is a graduate of Northwestern University where she obtained her B. S. degree.

An understanding sophomore class adviser and supervisor of the Teen Age Book Club is **Dana J. Meyer,** teacher of sophomore English. Mrs. Meyer received her A. B. and M. A. degrees from Kalamazoo College and the University of Michigan.

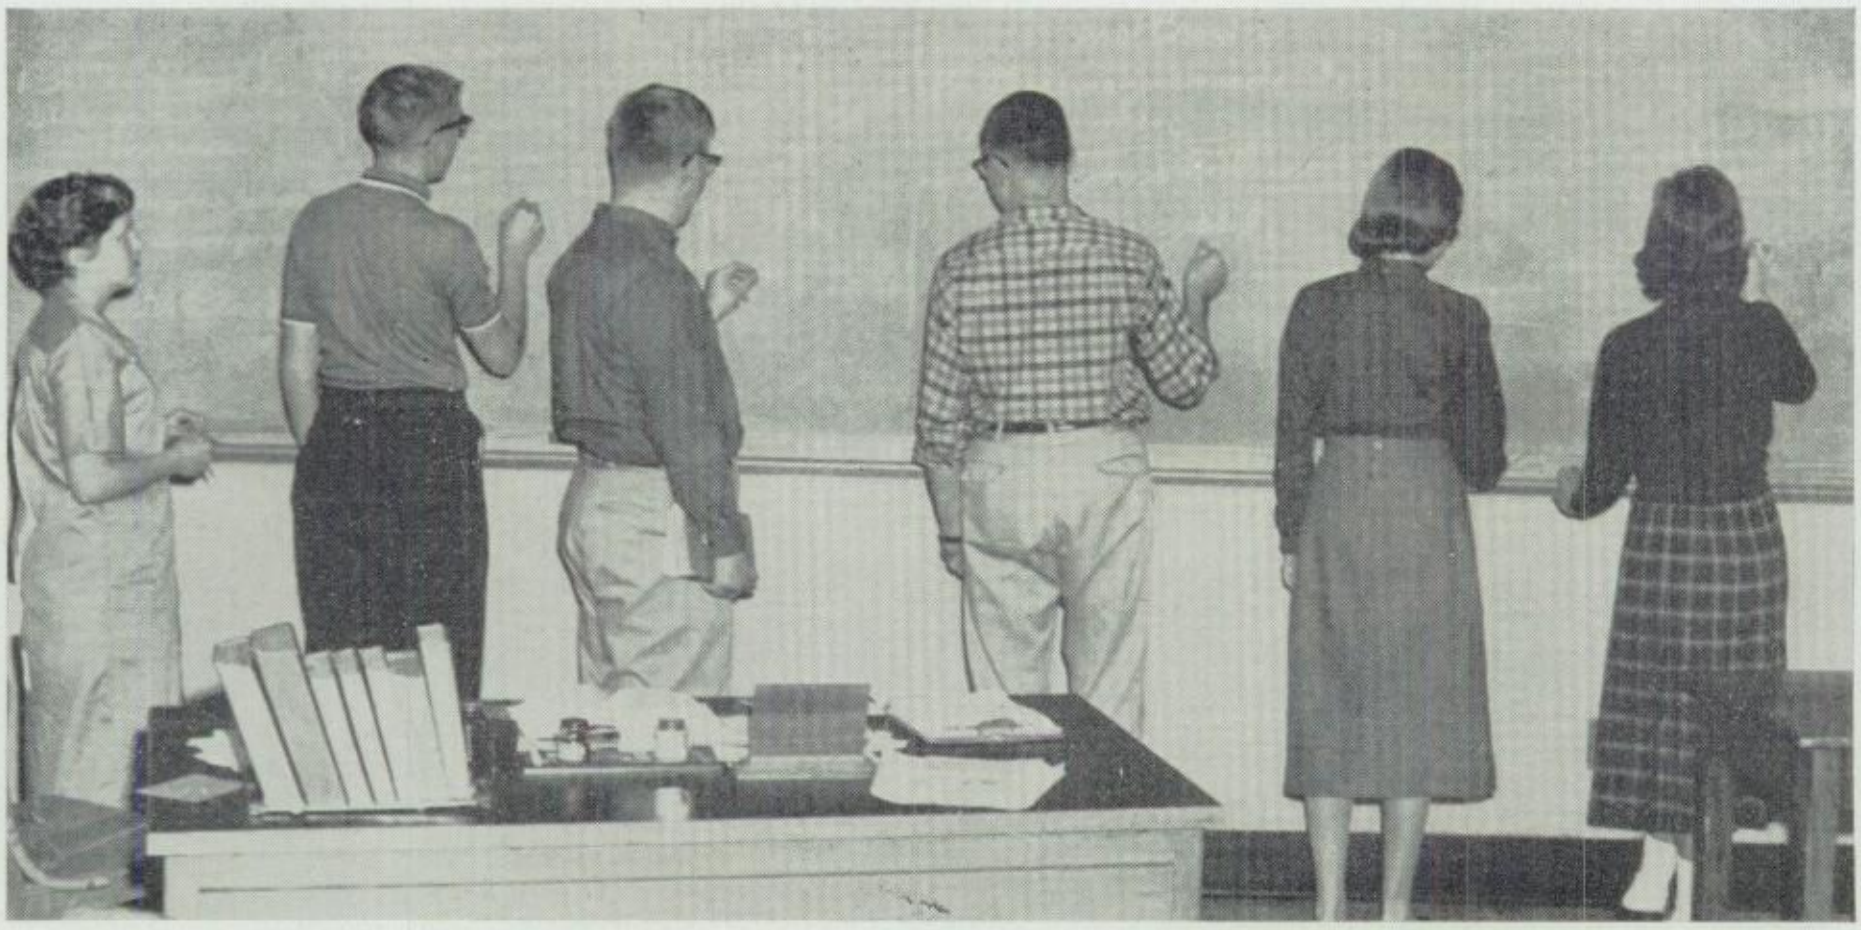
Evidently Paul Homminga and Dan Boehle had a good reason for being absent from school. At least they are getting a white excuse plus a smile from the dean, Mrs. Mohl. Whenever a pupil is absent from school he begins the day of his return with a visit to Mrs. Mohl.

Simulating a meeting of a legislative committee of the whole is part of the work of the senior government class. Mary Ann Ulander acts as chairman and Joyce Garn as clerk. On their feet are Robert Harcourt and Terry McTaggart with questions from the floor. Others listen or study.

Academic Subjects Are Still the Backbone

Many changes have been made in the high school curriculum but down through the years certain subjects have always been, and still continue to be, with us. Every day most of the C. H. S. students are still studying foreign languages or learning about the civilizations of the present and past. They are testing their mettle on algebra, geometry, and trigonometry. They are enriching their own lives by the study of English.

Left: C.H.S. students make application for ballots in the mock form of the November national elections. **Right:** Wallace Mitchell emerges from the voting booth as Buerl Heft clears the machine.



Old Julius Caesar would probably have winced if he could have read some of the composition work of these Cadillac sophomores as they braved the rigors of second year Latin. Here are Victoria Blackmer, Jan Bick, Roger Carlson, James Brown, Judy Bohm, Carol Clifford.

of the Curriculum at Cadillac High School

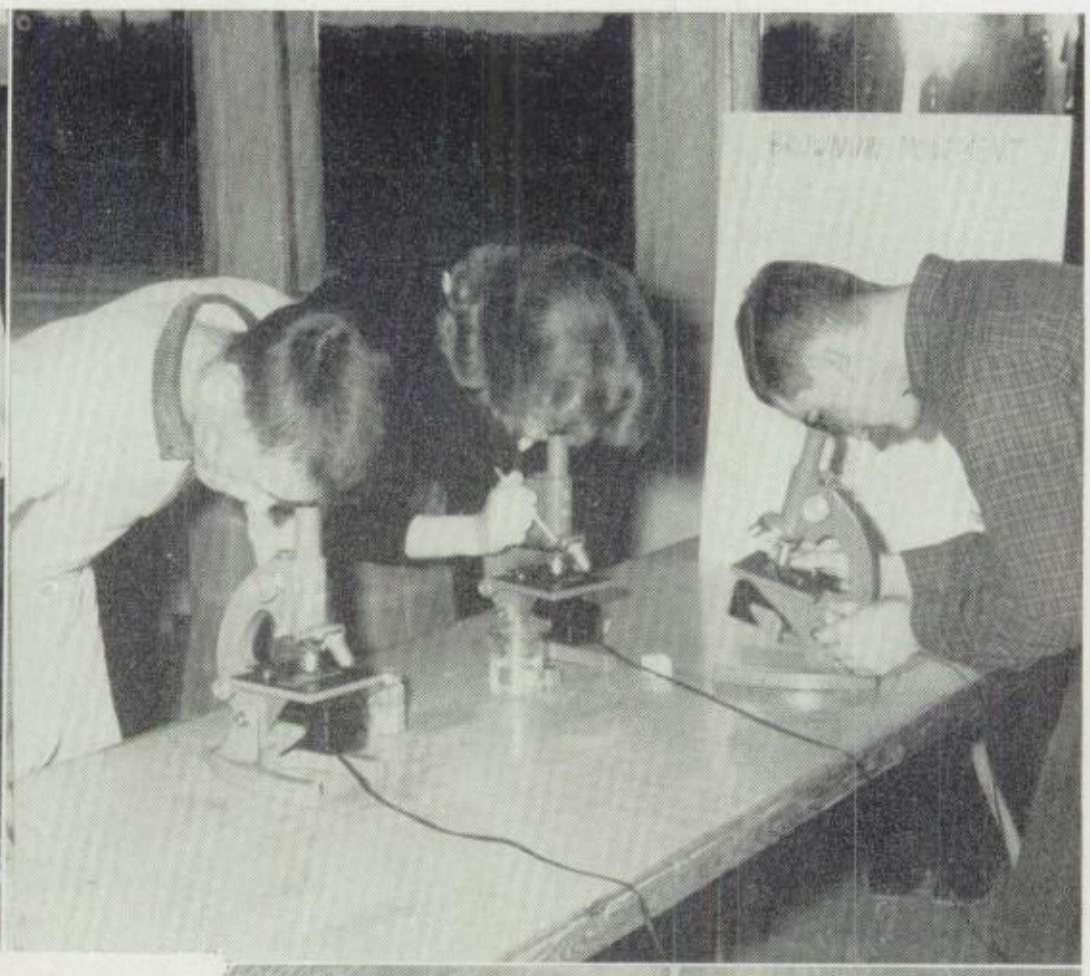
Lines, all kinds of lines, are seen in geometry class. Richard Bouwma and Peter Komblevitz illustrate skew lines. Robert Adkins and Douglas Mann show intersecting lines. Then Dick Umbarger is observing Marilyn Bryan's and Karen Klingbeil's display of parallel lines.

Trying to balance the weights to prove parallel forces are Stephen Lewis, Thomas McKernan, Mary Ann Ulander, Jack English, and Dale Telgenhoff.

Experimenting to Learn Truths of Science

In an age like ours when the conquest of space seems to be almost at hand, the study of science has taken on increased importance. Chemistry students are busy learning the components of land, sea, and air. Physics students learn the laws of nature that govern our universe. Biology pupils study life, life of plant and animal, of bird and reptile. The pursuit of scientific knowledge is not always easy but rewarding.

How many leaves can you recognize? That's what the biology pupils are studying. In the first picture are Avis Blackmer, Patricia Moore, and Robert Harris. In the second are Karen Swanson, Carol Clifford, and James Diehl. Students were required to identify 35 different leaves.



Top left: No, it's not a fork in the road Dave Ross and Mike O'Neill are discussing. It's an experiment to find the composition of forces.

Top right: To us it's just Roger Corbin, Carol Blick, and Duane DeButts looking through microscopes. They are actually watching the Brownian movement.

Right: Robert Bouwma and Robert Dahley use this triangle arrangement to prove that a single force may be resolved into two component forces.

When the physics lab acquired possession of two Geiger counters, Larry Payne (right) explained radioactivity to David Whitney, Mary Carol Stowe, and Brian Blanchard.

Working on this familiar sight at the Cadlilac State Bank are Judy Salisbury, Bonnie McConnell, Carolyn Scarbrough and Marilyn Brigham while Shirley Olson does the higher work.

Art Students Paint Windows on Halloween

Alan Emshwiller masterfully mixes paint while Holly Moomey, Connie Schmidt, and Diane Larson consult on their next move.

Paint, brushes, paper and a little imagination are the special ingredients that are needed in art class. The four seasons offer a variety of scenes and landscapes for the students' appreciation. Art classes open the way to such fields as designing, decorating and constructing as well as providing the training of talent for the purpose of an interesting and useful hobby.

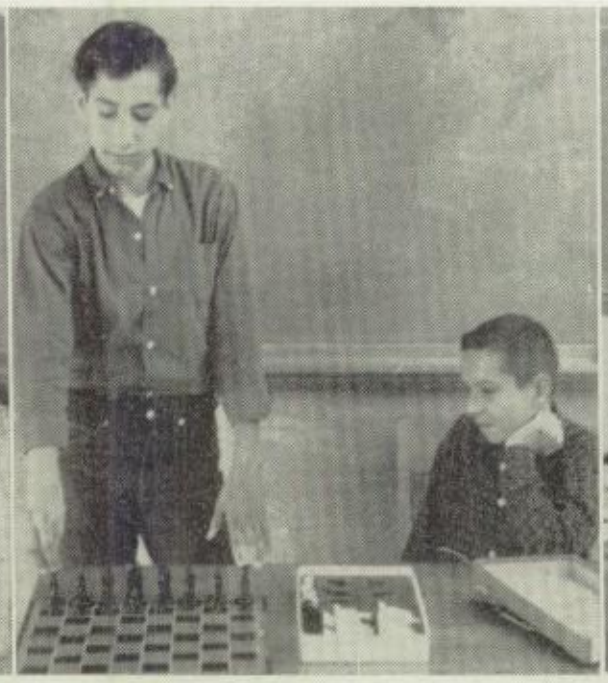
Upper left: Penney's received a nice trimming by Diane Carlson, Florence Boyd, and Vernetta Dobbyn.

Upper right: It seems as though Sally Matzdorf and Nancy Johnson have a friend in on the project.

Lower left: Food seems to be on the minds of Susan Matzdorf and Pat Tyler as they work at Sandy's.

Lower right: What's this? A purple people eater, you say. Maybe we should ask Nancy Nelson, Jean Ferguson, or Gary Bennett.

Right: Working to meet the deadline at Coffey's are Phyllis Borst, Catherine Mottor, Evelyn Bowen, and Elnor Coffel.

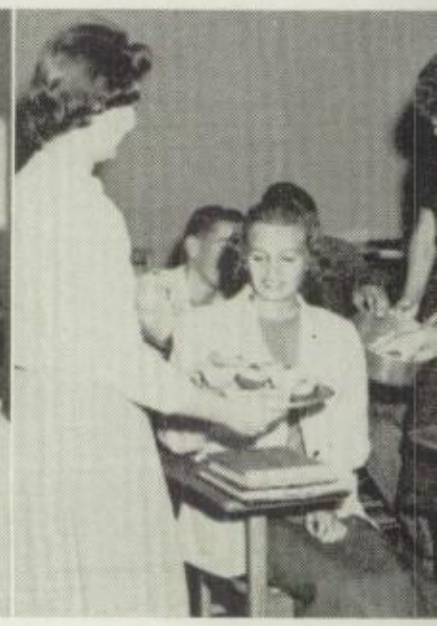


First: Pancakes! Julie Daugharty shows the class how to make them while Richard Austin's mouth waters. **Second:** Mike Elenbaas educates Gary Gibson in the intracacies of chess. **Third:** Model airplanes comprise Mike Ferris' demonstration while James Lakies looks on. **Fourth:** Hiltje Sluiter shows Diana Herringa how to wrap and decorate a Christmas gift.

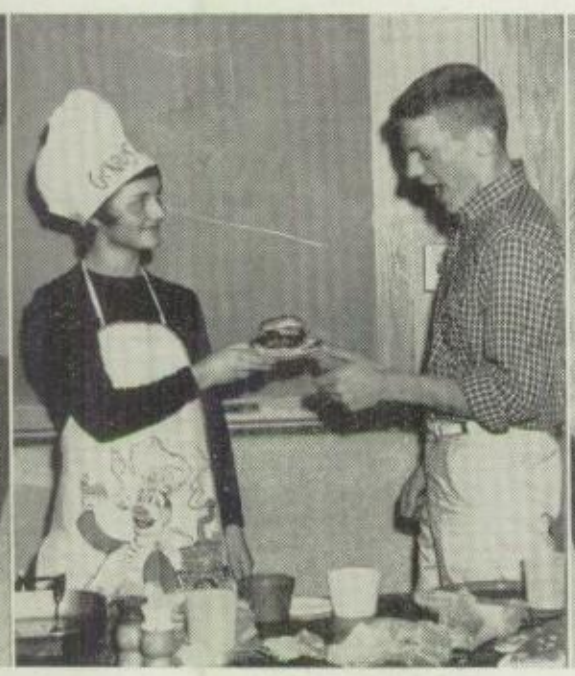
Be Direct, Talk to Us

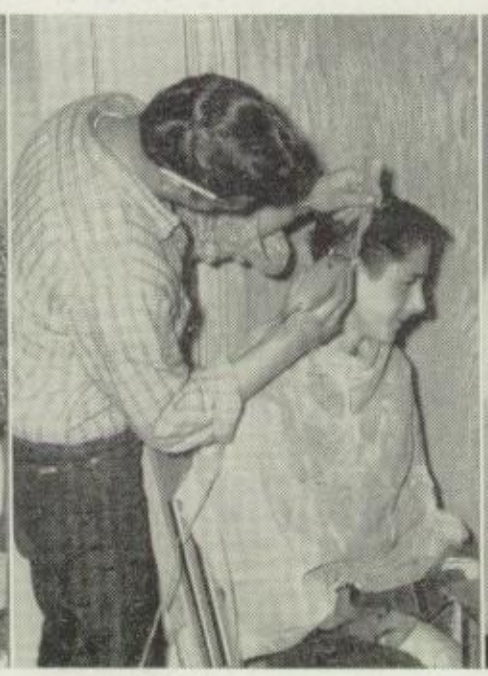
Step into room 313 and you'll usually find a student standing on a little platform and talking to the class. It may be sophomores telling about the play that saved the game, or a junior trying to sell his audience on the idea of going to the band concert or signing up for a Log subscription. It's all part of speech courses required of all sophomores and juniors.

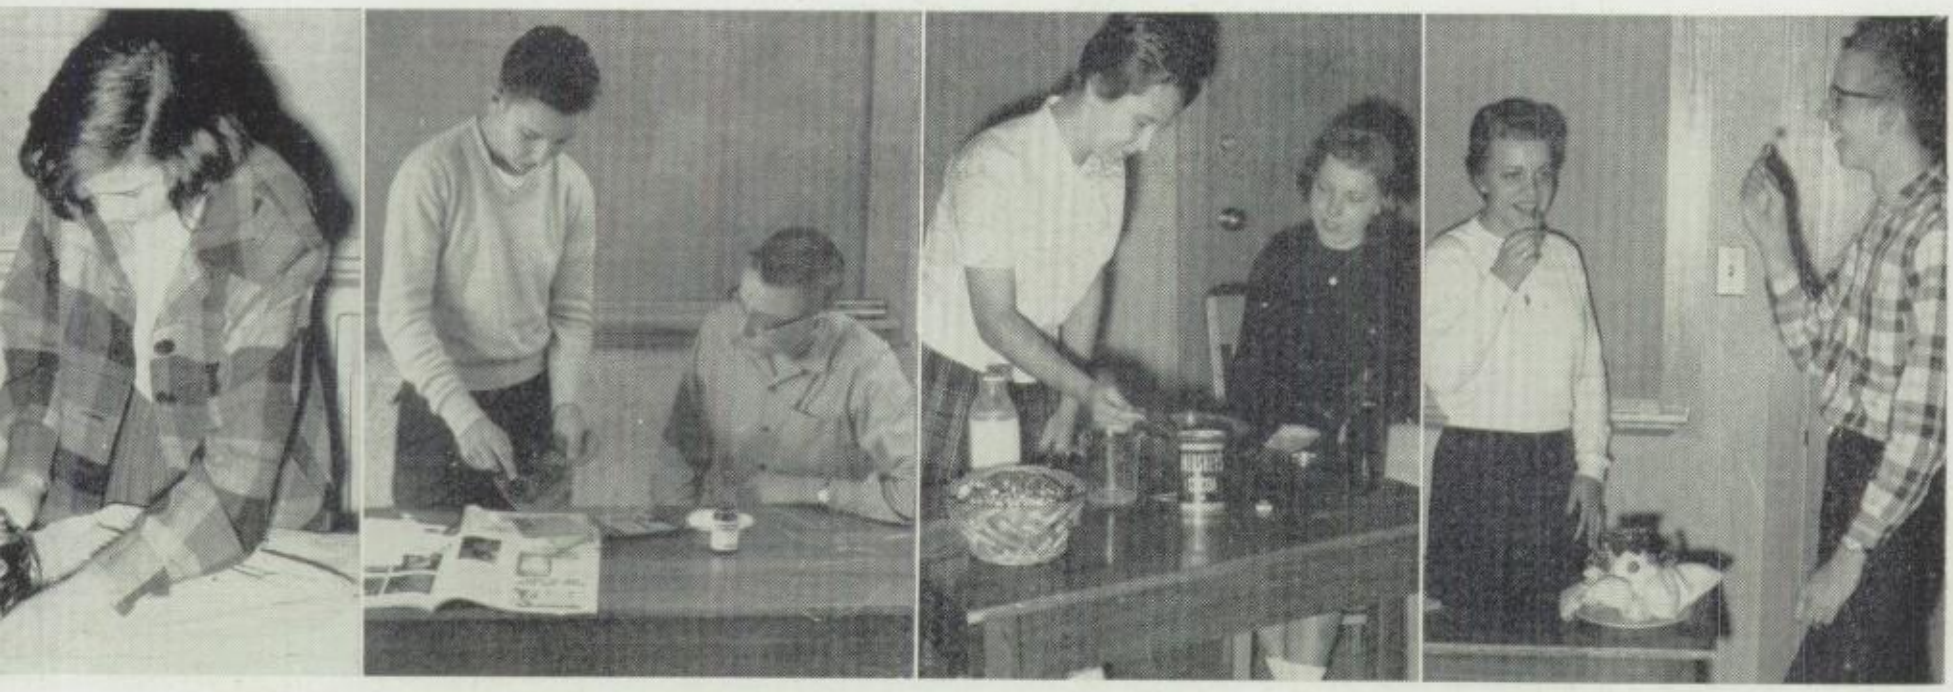
Left: Mary Margaret Moore told how to make cookies. Donna Richardson passes the cookies to Kathy Brown and Shirley Baldwin. **Right:** Louise Kalcher helps herself to Judy Cooley's cupcakes; Judy Spierling passes pop corn.



First: Artificial respiration! Fredricka Lindstrom demonstrates on Janice Loughrin. **Second:** A "Dagwood Sandwich" made by Jo Ann Swanson heads straight for Tom Stroh's stomach. **Third:** Dennis Wiggins works the clippers like a professional on Peter Kunkel's head. **Fourth:** Victoria Blackmer (right) is a clever miss with a skein of yarn. Evelyn Bowling is her companion.

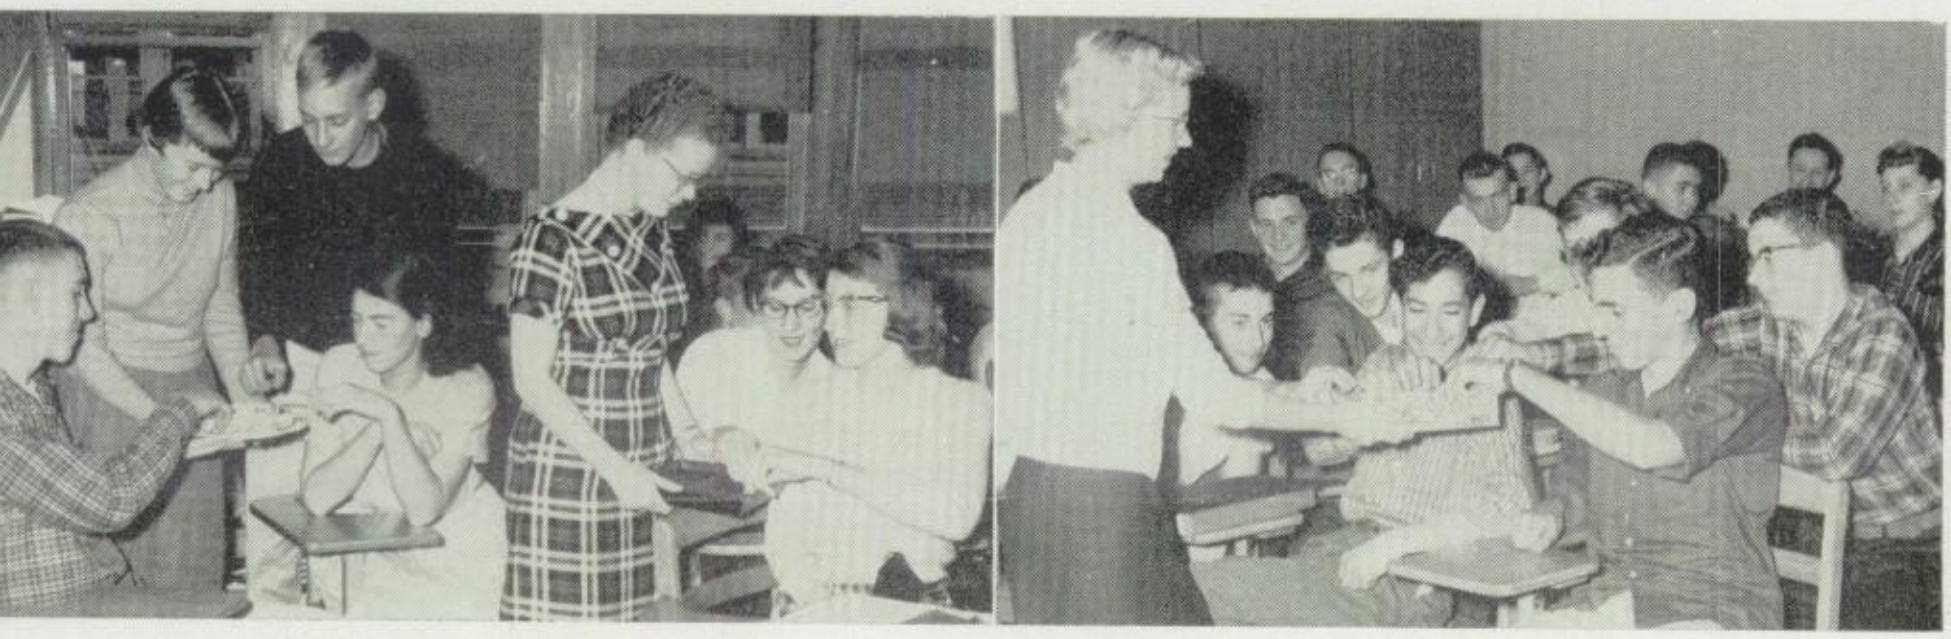




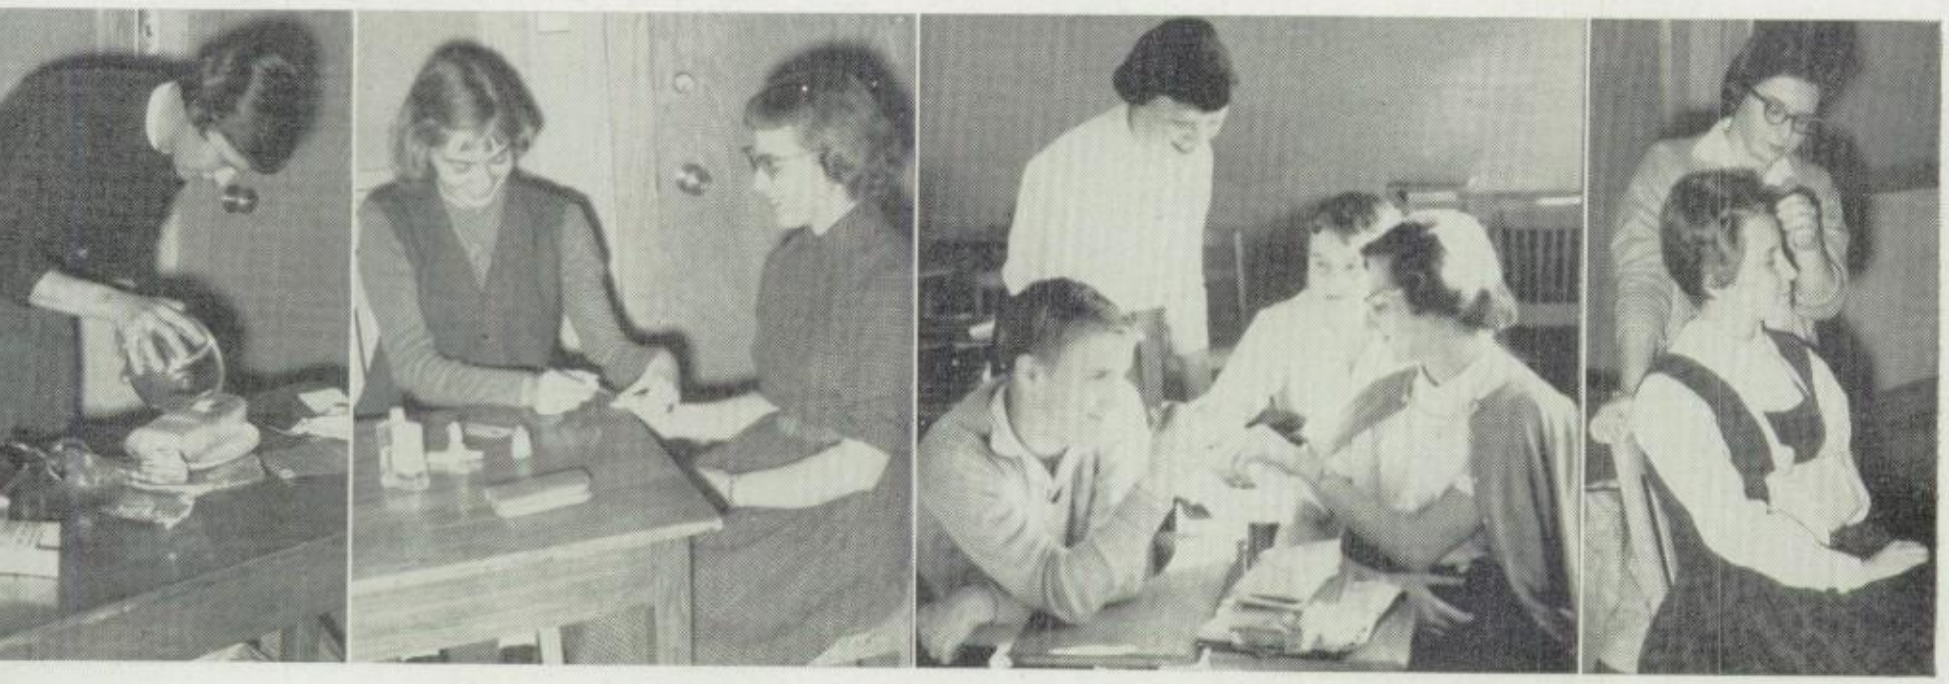


First: Darlene Davis will make somebody a good wife. She already knows how to iron a man's shirt. **Second:** Here's a chap, Gary Stump, who can make Christmas cards, and Larry Mercer learns. **Third:** Dzintra Eidins learns how to make it from Kathryn Borst. **Fourth:** Don't know just what Beverly Shaffer called her product, but James Tucker liked those sausages.

Left: Lorraine Stewart (standing left) passes cookies, Carol Miller passes fudge. Helping themselves to the plunder are Joe Thompson, Charles Worden, Norma Truax, Vickie Silvers, and Mary Shaw. **Right:** Diane Larson's taffy goes over big with the gang of hungry boys in her speech class.



First: Sue Dillon frosts a cake for her speech demonstration. **Second:** Painting the nails or removing the polish, it looks the same as Judy Bohm works on Susan Ball. **Third:** Mary McKernan showed how to make a batch of cookies. Helping her dispose of them are Raymond "Irish" Fulk, Kathleen McLeod, and Norma Harvey. **Fourth:** Kathryn Borst sits as Anita Ehle does her hair.



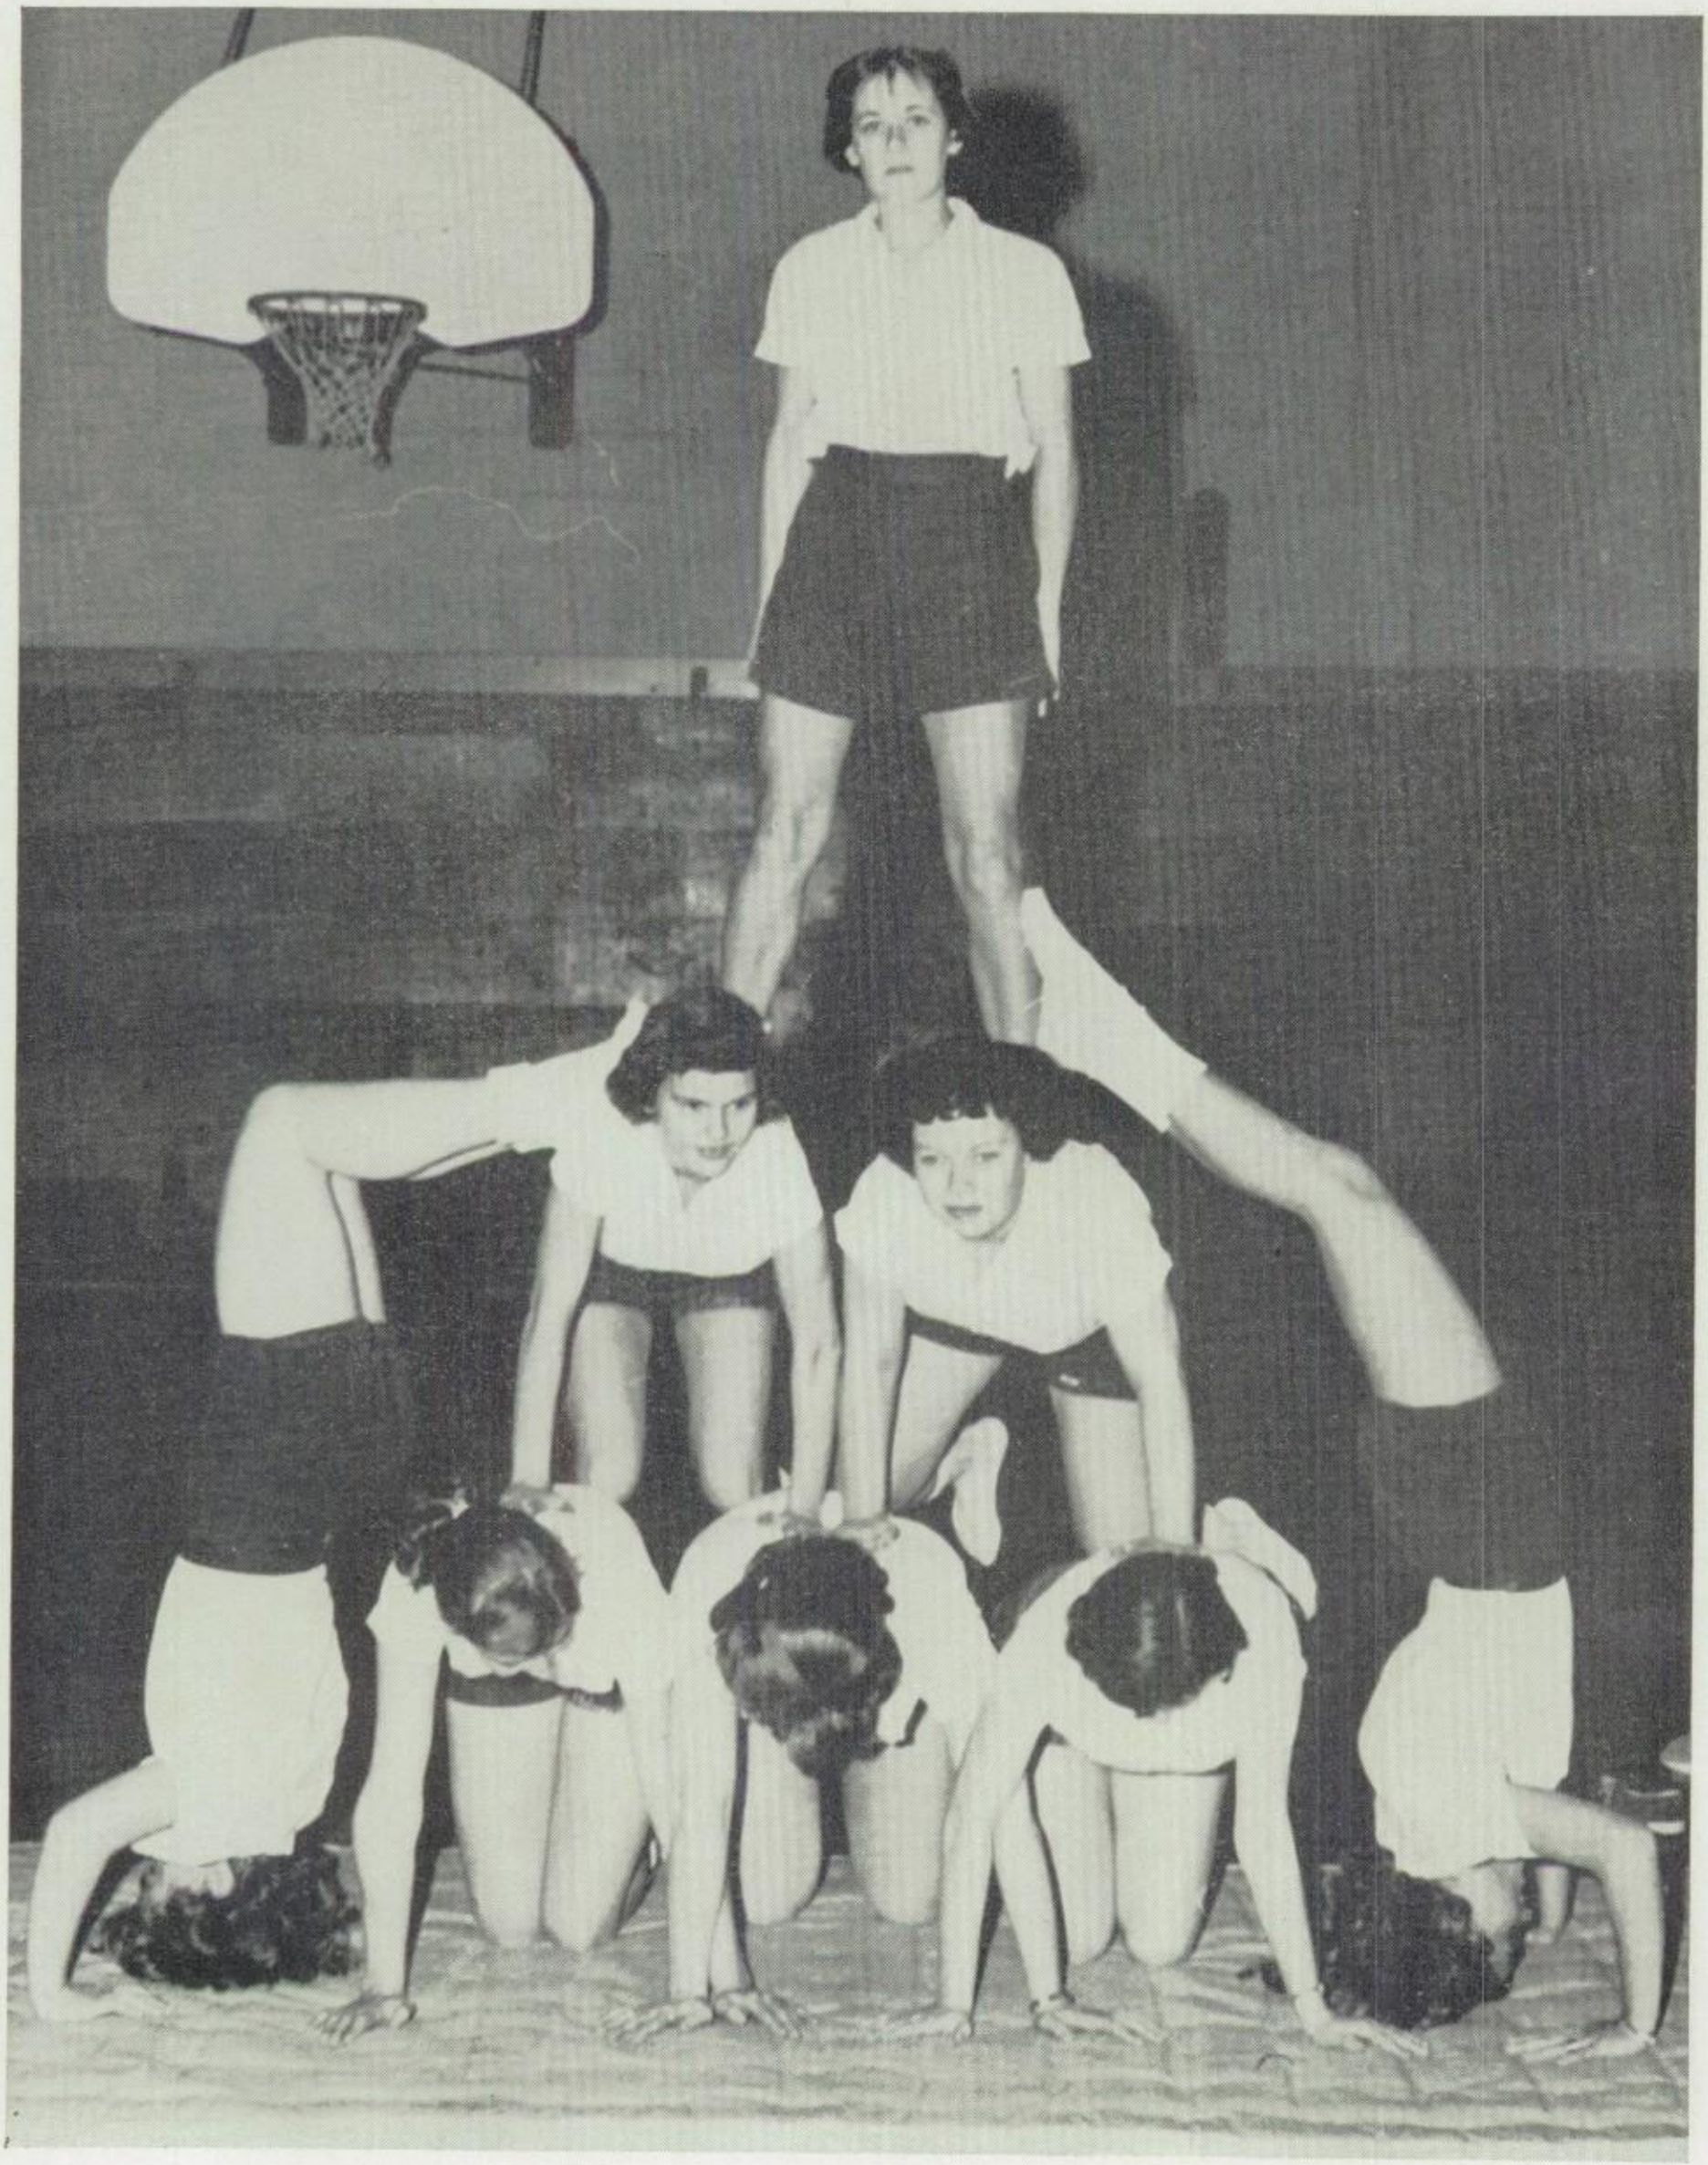
Singing, Driving Cars, Building Healthy Bodies,

Meeting the seventh hour are a group of girls who want to sing. Mr. Stevens teaches them to read music and blend their voices with the rest to make sweet sounds.

Signal when you turn! There's more than that to driving an automobile. It helps, too, to know what's under the hood to make the old bus tick. These driver training students are getting a lesson from Mr. Janke. Clockwise from the left are Kenneth Freese, Peter Kunkel, Dixie Servis, Mr. Janke, and Roger Hewitt. There is always a waiting list for driver training instruction.

All Find a Place in the Modern High School

There is no telling what a spectator will find when he steps into girls' gym class. Frequently the girls will be engaging in some sport. Here we find them building a human pyramid. Gloria Marvin is at the top standing on Sandra Kinney and Lois Hogberg. The five on the floor are Sharon Cochran, Rochelle MacDonald, Ann Johnson, Ellen Hovey, and Linda Johnson.



Miss Keeler shows Sharon McKinley how to pleat a skirt while Carole Heft, June Knapp, Katherine Grames, Sharon Fredell, and Diane Orvis profit from the lesson.

Learning to Operate a Home Efficiently

Seated on the floor is the best position to measure a hem as Donna Lehr finds out while helping Betty Lucas.

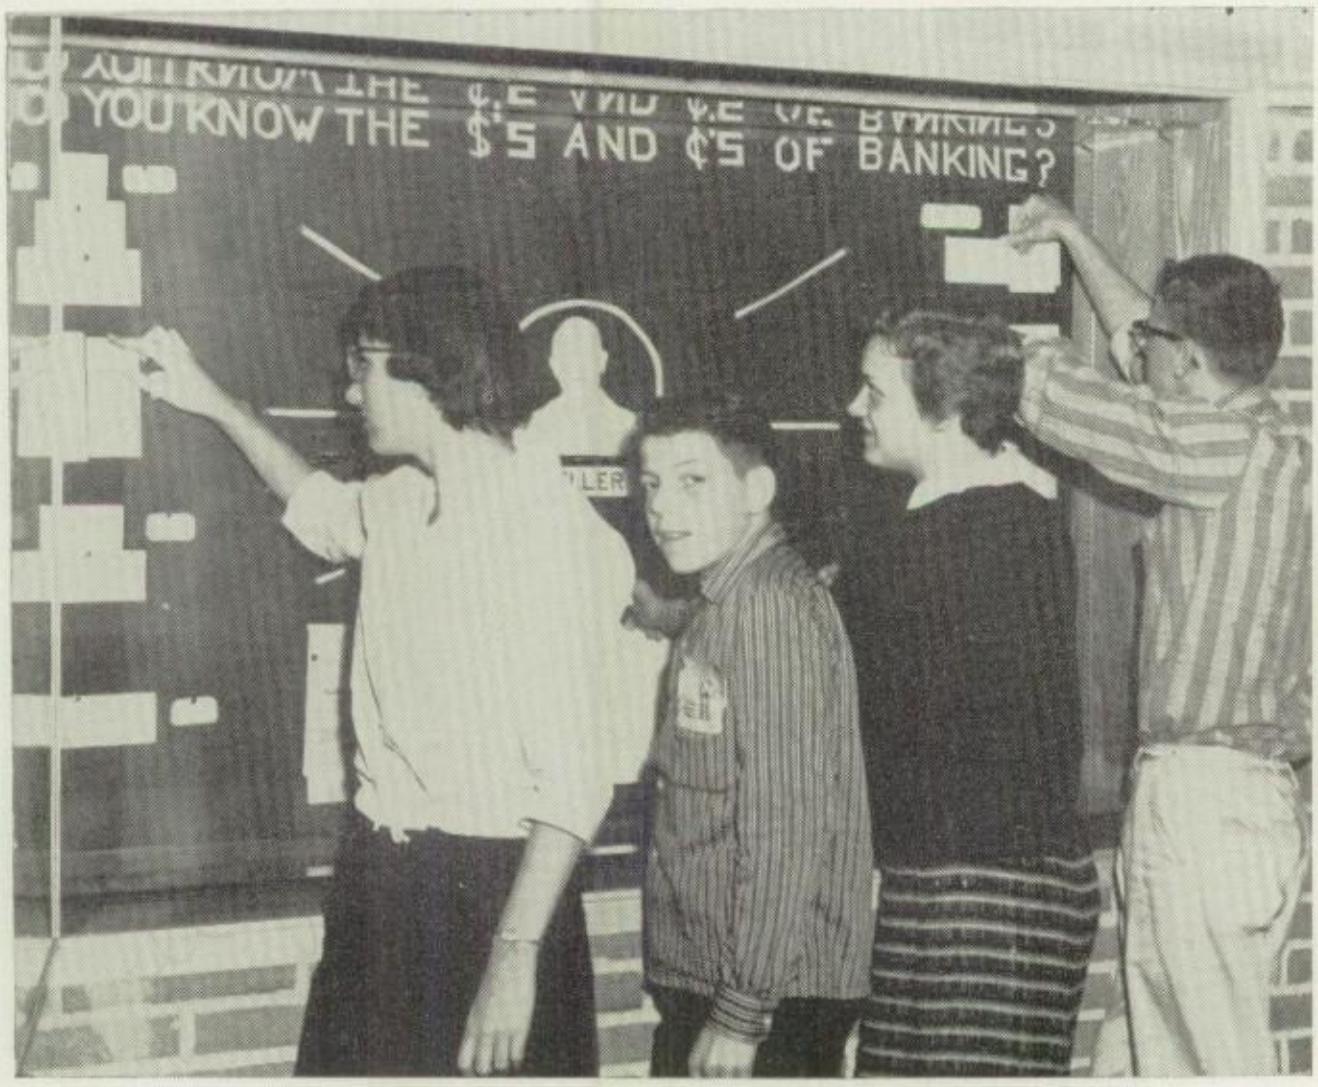
We Learn to Face the World of Business

After high school the business world looms before us. The many courses offered in our high school prepare those who plan to go into the business world as secretaries, accountants, and executives. Our courses also provide other students with typing for their own uses.

The tapping of typewriters and the concentration of shorthand students together with special training are the stepping stones to further study and experience in the business world of today. The staff of the commercial department is equipped to provide the training needed.



Do you want to know how to write a check? Mr. Cameron's business training class made a display to illustrate the procedure. Shown are Victoria Silvers, Steve Moutsatson, Beverly Shaffer, and Greg Modders.

Captain Loren Campbell

Coach Hiram Becker

Member of the National Honor Society and star athlete in all sports, Loren Campbell captained the Viking champions. From his quarterback spot he ran and passed and led the team to a perfect record.

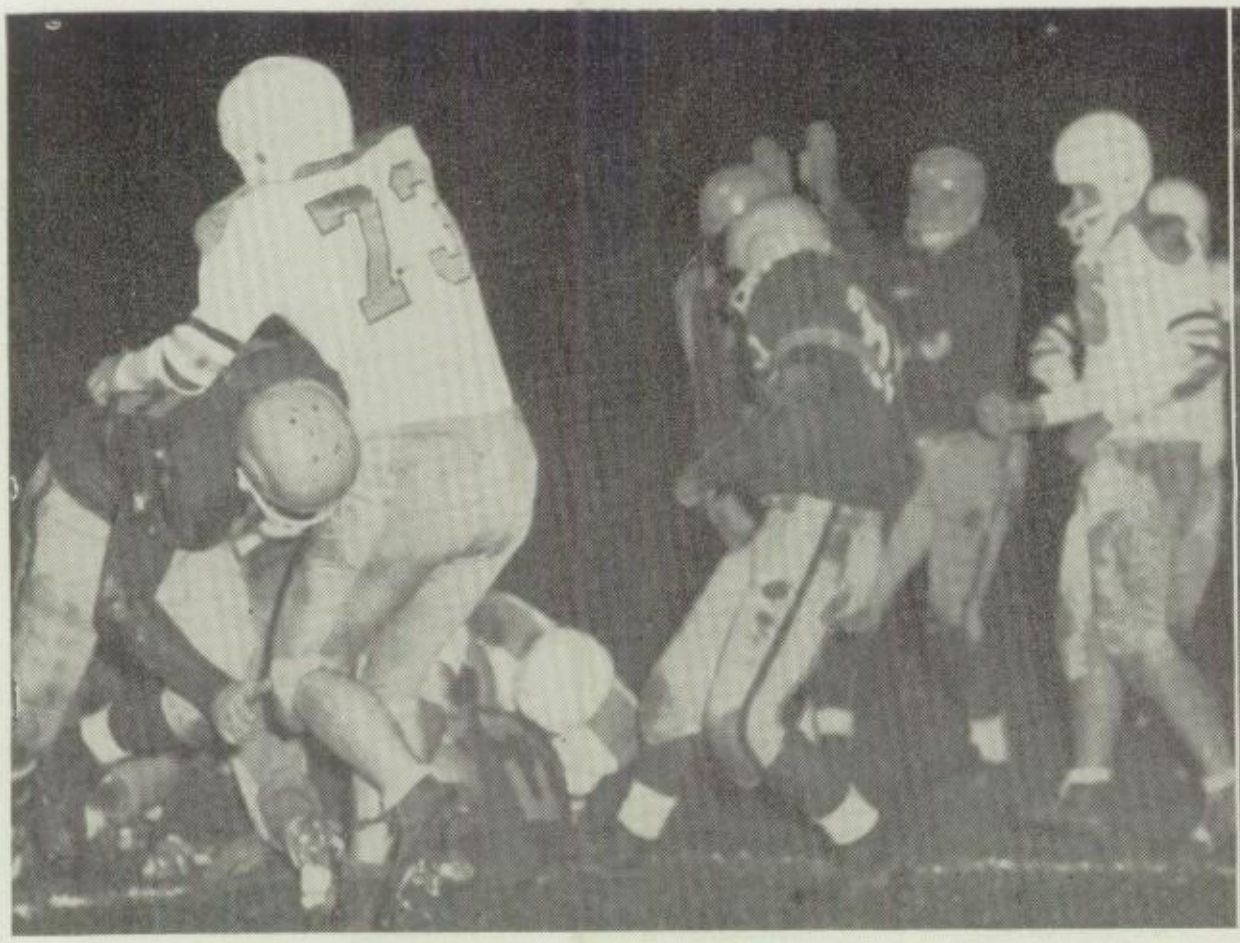
Mr. Becker, in his eleventh year of coaching at Cadillac, was a happy man at the end of the football season. Not since 1950 had his team won undisputed and unshared championship of the North Central Conference.

Football season! What a thrill it holds for everyone! This year we can be especially proud. Let's go back and review the 1958 football season.

The Cadillac Vikings got off to an impressive start in the first game by defeating St. Andrews of Saginaw, 39 to 0, in a thrilling game. Art Lang and Steve Frisbie looked especially good with Bob Barrons, Chad Williams, and Larry Walker backing them.

A seventy yard scoring drive was the deciding factor in the second game of the season. It took six minutes and one second to punch across the goal line for a touchdown with Chad Williams carrying the ball and giving Cadillac a 6 to 0 victory over St. Francis of Traverse City.

The Vikings started their conference race for the North Central B title with a

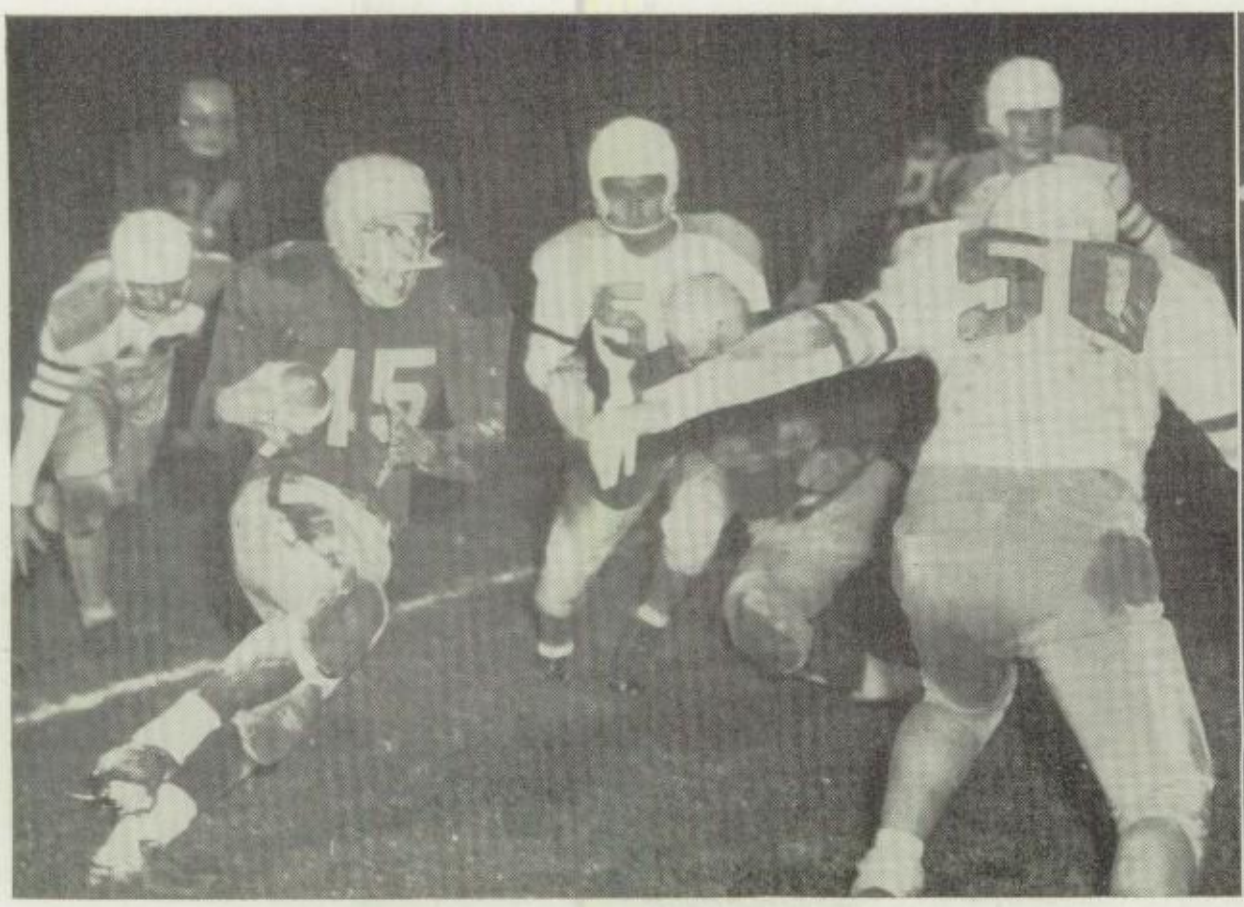


19 to 13 victory over the Alma Panthers at Alma. With the score tied 13 all, Loren Campbell sneaked over the one yard line to make the score 19 to 13 and give the Vikings the victory.

The Vikings staged a great come back in the final half of the Mt. Pleasant game and defeated the Oilers, 19 to 13. It was a great team victory for the Vikings who not only outplayed Mt. Pleasant on offense but showed a great defensive effort.

A 33 to 6 victory over the Petoskey Northmen gave Cadillac its fifth straight win of the season with no losses. The Vikings made 26 points in the first half with Art Lang and Steve Frisbie looking sharp. Most of the final two periods, Coach Becker used a generous portion of his reserves, who did a wonderful job.

Cadillac continued on the victory trail at Veterans Memorial Stadium, defeating the Manistee Chippewas, 34 to 6. The



Loren Campbell batters his way across for the first touchdown in the first period against Mt. Pleasant.

Lester Moyer romps over for another touchdown against Mt. Pleasant in the fourth period to pull the Vikings into a 13-13 tie.

Campbell carries the ball over from the two yard line late in the fourth quarter for the winning touchdown against Mt. Pleasant.

Vikings piled up a comfortable lead in the first half and then coasted in the second. Art Lang went over the goal line for three of the touchdowns, while Larry Walters and Greg Hornbaker accounted for the other two. Our extra points came when Cedarhom of Manistee was thrown in his own end zone. This victory gave us a 3 to 0 count in the conference play.

Scoring almost as they pleased, the Vikings had no trouble defeating the Ludington Orioles by a score of 60 to 6. It was the biggest scoring output of the season with the second and third stringers running over three touchdowns.

The most spectacular play of the game took place on the opening kick of the second half when Art Lang picked up the ball and went all the way for a touchdown.

A great football team reached its peak of performance and defeated the Big Rapids Cardinals, 48 to 6. The victory gave the Vikings the conference championship. It was a well played game and one of which all should be proud. All the boys looked good. It was a proud and happy team that met in the locker room after the exciting and thrilling game.

In honor of his successful job of coaching the team to a championship Coach Becker won the distinction of being cited "Coach of the Year" by the Detroit Free Press. Captain Campbell, Walker, Frisbie, Byron Van Pelt, Lang, and Thompson were given places or honorable mention on various all-state teams. These boys, together with Myron Van Pelt, Payne, Moyer, and Hornbaker, won all-conference honors.

Steve Frisbie gets away from a number of Oiler tacklers for a 22 yard return of the kick-off in the second half.

Terry Weaver stops Woodruff of Petoskey for a two yard gain early in the third period.

"We're in! We're in!" shouts Coach Becker as his jubilant players dance and hug each other. With only ten seconds left to play the Vikings had the ball, first down. They "played out the clock" and defeated their arch rival, Mt. Pleasant, for the first time since 1950.

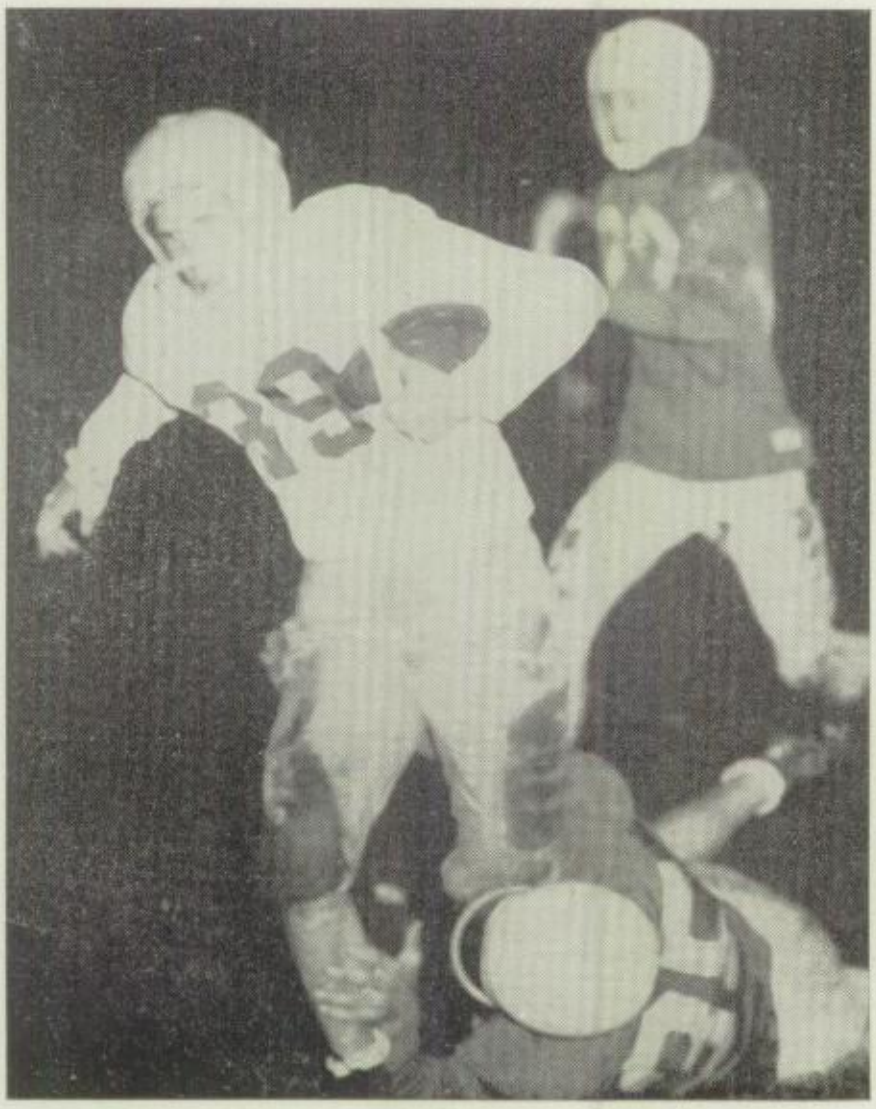
Junior Varsity Posts Excellent Record



Boys on the way up had a lot of fun and experience last fall. Practically every Thursday evening the junior varsity played a football game of its own. A schedule of seven games was played with the J. V.'s being victorious five times. Several of the boys showed considerable promise and will be doing their playing with the varsity squad when the next football season rolls around.

Whirling Dervishes of Gym and Gridiron

A roar from the stands, a swish of skirts, a wild waving of arms! It's the cheer leaders in action again. We see them at every pep meeting and every football and basketball game. Not only do these whirling dervishes lead the cheers, but they help work up enthusiasm for athletics by displaying posters and announcing color days.

The junior varsity cheer leaders are Mary Soukup, Patricia Goodrich, Merrie Klifman, Barbara White, and Rebecca Benedict. They hope to make the varsity squad next fall.

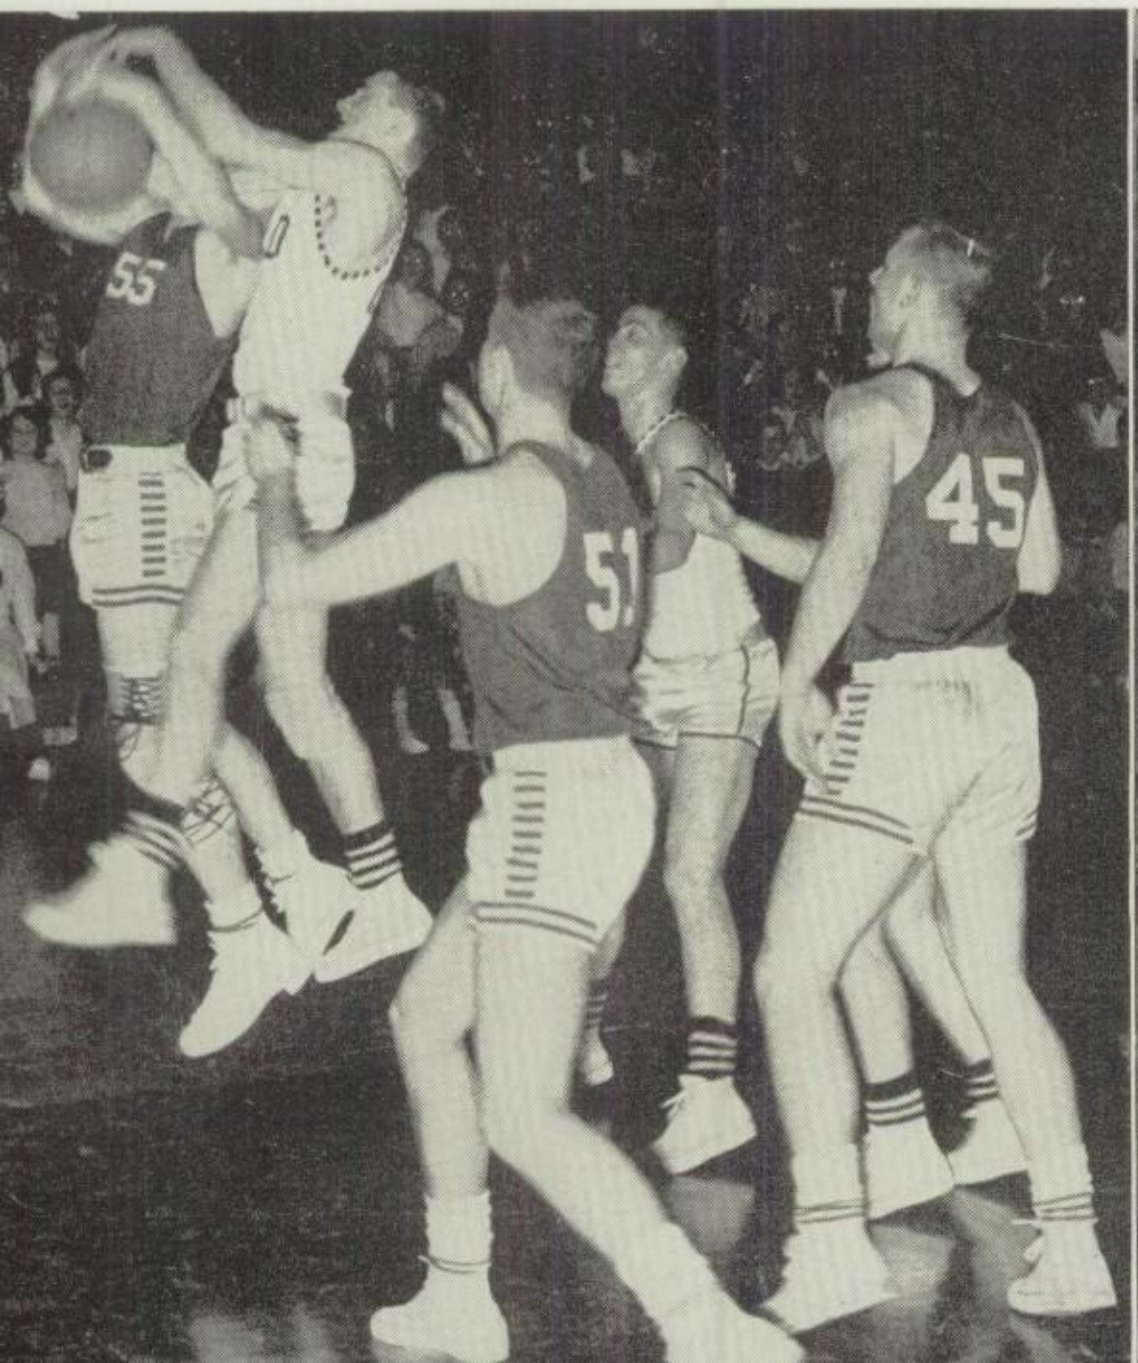
Thrills Marked Basketball Season

Terry Weaver gets on top of one.



Charles Durham (42) puts one up.

Hopes of Cadillac's basketball fans kept rising right up to the final gun of the district tournament. Playing Ludington for the district championship, the Vikings fell behind but started to catch up in the final quarter. When they had pulled up to within five points, it began to look as though they might steal the game from the Orioles. But there just wasn't enough time, and Cadillac had to be content with a runner-up position.

It was a successful season at that. Cadillac had a good team and it compiled a good record winning twelve out of their sixteen games. Only three teams were able to defeat us, Manistee twice, and Ludington and Alma once each. The Clare game saw the Vikings set a new school scoring record of 103 points. Most of the players were seniors and will be difficult to replace. Jack English and Loren Campbell were elected to the all-conference second team while Barrons, Hornbaker, and Moyer were given honorable mention.

1958 Tennis and Golf Teams Won Honors

The tennis boys were in ten dual matches and won them all. The regional meet found the Vikings walking off with top honors, while at the conference meet they were forced to accept the runner-up position to Big Rapids. The season's total record earned our boys a co-championship with Big Rapids. At the state meet Campbell placed in the singles for the third straight year which won for Cadillac a tie for fifth place.

Undefeated Record for Boys' Ski Team

In the true Viking spirit, the ski teams completed a very successful season. A strong and experienced boys' team, led by Chadric Williams, marked up an undefeated record. The girls' team, which had the benefit of Mary Ann Ulander's and Karen Ide's experience and Barbara White's skill, placed fourth in the regional meet.

Th teams, coached by Neil Curtis and Jayne Williams, traveled this year to Sugar Loaf Mountain and Walloon Hills in addition to Caberfae. We met Ludington, Manistee, Leelanau, Boyne City, and Traverse City.

Individual regional honors for Cadillac went to Chadric Williams, first; Ralph Douglas, second; Spencer Bocks, fifth in slalom; and Barbara White, fifth.

The future looks bright for the Viking skiers with a solid group of underclassmen to call on next year.

1958 Track Team Made Good Showing

The Viking track team enjoyed quite a successful season finishing third in the conference and second in the regionals. Many boys won honors during the season.

Steve Frisbie proved to be the best hurdler in the conference. In the 100 yard dash Mike Evans performed very well, often running it in 10.5 seconds. Glen Asiala was the best half miler Cadillac entered in the meets. Glen ran his best time at the state meet with two minutes, four seconds, to take fourth place. Byron Van Pelt also ran the half mile for his best time at the state meet to take fifth place. The mile was run by Myron Van Pelt who was never beaten during the regular season. In the field events Les Moyer frequently placed in the first three. Larry Walker was often first among the pole vaulters.

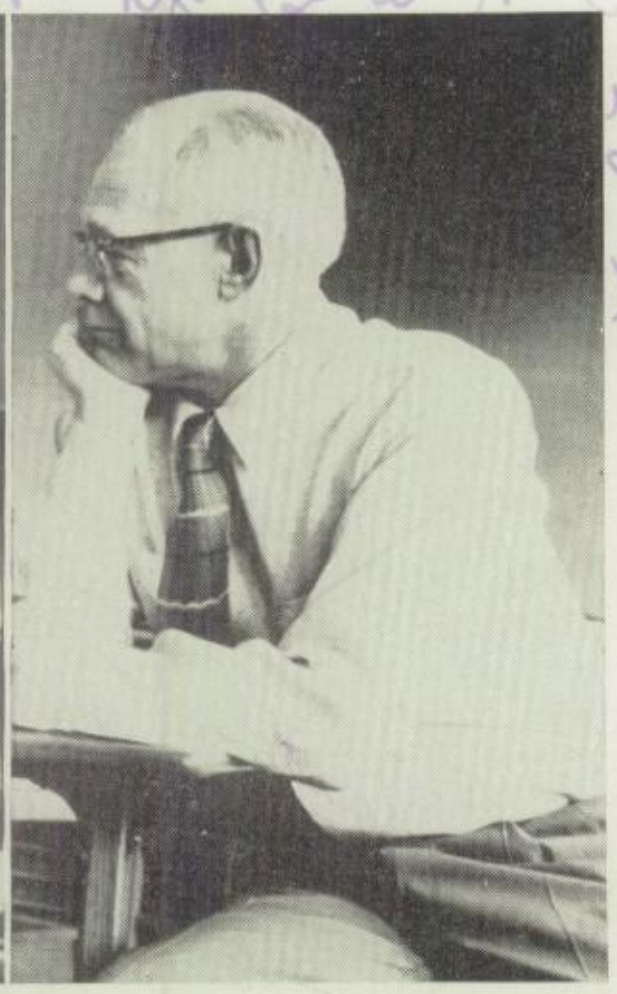
The days we enjoyed extra-curricular ACTIVITIES



Well they can dream, can't they? The pictures prove it. Joan Spoor, **Log** editor, dreams of making the '59 **Log** the best in a long line of super books. Mr. Van just dreams of some happy tomorrow when there will be no annual **Log** publication to worry about.

How many more ads to type up, photograph, and sell? Those are the questions Skaya Eidins (left), Karen Ide, and Ronald Weiss are trying to answer.

Log Staff Chronicles The Days of Our Year

A down payment on a 1959 Log by Duane DeButts and Brenda Bell makes Charles Durham happy.

We have come to the end of a wonderful school year. We have nothing left except memories of the golden days in 1959; still these memories will be cherished and protected in the Log for years to come.

Turn back the clock and return to the happy carefree days of high school. Remember the day that school started—a week late because of construction. Remember the day school was finally closed because of a blizzard. Recall the football games, the Christmas formal, the carnival, the junior-senior play, the band concert, the banquet, and prom.

The Log staff has worked diligently to produce the type of annual everyone will enjoy and treasure. May it serve as a pleasant reminder of the days of your year at Cadillac High.

Cadillacan Enlarges Scope of Activities

Hustling and bustling, folding of papers, and clicking of typewriters are all familiar in the journalism department under the direction of Mr. Babcock.

The staff is extra busy this year as they have enlarged the Cadillacan proper. Other publications are the Cadillacan in the Cadillac Evening News, the Social Life, and articles in the Herald Youth Parade.

The 1957-58 paper received honorary ratings from the critical service of the Quill and Scroll, Iowa University, and North Central Michigan Interscholastic Press Conference of Central Michigan College.

Cadillacans will be out today. Before the papers can be distributed, they have to be folded. Doing the folding are Patricia Jessup, Larry Payne, Karen Hickey, Thomas McKernan, James Sandelius, Charles Zegoski, Brian Blanchard, and Douglas Fairbanks.

They Present the Students' View of Things

Several matters of importance to the school were discussed in Student Council. Among these were the social dress code, the Student Council carnival held in March, and money making projects such as sponsoring a dance after one of the basketball games.

Since the Student Council has helped with the summer A. F. S. program, by helping Mary Ann Ulander, our exchange student to Great Britian, they have decided to help defray the expenses of our two foreign exchange students, Holde Funke and Thelma Martin, by paying for their graduation fees. The Student Council also decided unanimously to admit them into the Student Council meetings.

Again this year the Student Council helped in the Salvation Army bag collection for the needy. They set up the maps which the students followed.

The council was lead by Michael Evans, governor; Sandy Earl, secretary; Tom Huckle, treasurer; and adviser, Mr. R. Austin.

Assisting the Salvation Army in collecting food for the needy at Christmas was a Student Council project. Michael Evans is shown passing out bags to Byron Van Pelt, Roger Mannisto, Judy Linn. Thomas Nixon, Sharon Knuth, and Esther Vander Vlught.

They Wear the Badge of Honor Students

The National Honor Society is a newcomer among the clubs at Cadillac Senior High. This club does not hold regular meetings but gathers two or three times a year for a combined business and social gathering. During the course of the school year the members are feted with teas and banquets given by groups of local business men and women.

The members of this group are chosen from the sophomore, junior, and senior classes. They are selected on the basis of their character, participation in school activities and citizenship as well as their academic record which must constitute at least a B average. The sophomore members are associate members, becoming full-fledged members their junior year. Each year additional members are chosen from the junior and senior classes. At present there are 26 members.

Th sponsors of the club are Mrs. Donald Mohl, Mrs. Loraine Worden, Mr. Edward Babcock, and Mr. Gerald Lillie.

In an impressive ceremony at a student assembly new members are initiated into the National Honor Society. Mrs. Worden hands a new candle to Brian Blanchard with Robert Bouwma next in line. At right is Mrs. Catherine Daugharty ready to present Brian with a pin.

The Band Is a Colorful Organization

One of the most colorful organizations in school is the band. Resplendant in black and gold uniforms, embellished with gleaming metal instruments, adorned with ravishing twirlers and majorettes, they make a thrilling sight as they march in parade on football field maneuvers.

Behind their spectacular appearances is a lot of hard work. During the fall the rehearsal emphasis is laid on learning tunes for routines at intermissions of football games. Then comes the work on carols and other music for the annual appearance at the Christmas assembly. Finally comes the preparation for the solo and ensemble appearances of some of the players and the culmination of the year's efforts in the big spring festival of bands from our own and neighboring schools.

By selling candy the members raised enough money to buy some new instruments.

Helping Mr. Stockwell were Duane DeButts, Russell Dodge, and Judy Linn, as president, vice president, and treasurer.

It was a wet cold night when the band played for the homecoming game. A retreat to the band room for cider and doughnuts helped to restore the players' good nature. Front and center are Roberta Royce and Janice Loughrin.

Home for Homecoming

Let it rain, let it rain, let it rain! That might have been the theme song for the 1958 homecoming. But come rain or cold, nothing can dampen the thrill for the old grad who is coming back home to C. H. S. for an evening of renewing old associations.

There was the same old thrill in attending the football game and watching the football warriors overwhelm their opponents. The queen, Donna Harris, and her court formed as beautiful a group of high school damsels as one could find anywhere. The friendly atmosphere of fun and gaiety at the party in the gym following the game topped off another perfect homecoming.

Holde Funke, exchange student from far-off Germany, dances with Robert Harcourt.

Juniors and Seniors Cavort in Shangri-La

Dancing sedately in the foreground are Mike Evans with Linda Sims, Larry Walters with Julie Daugharty, and Charles Durham with Judy Olney. Rather serious about it, aren't they?

Spring, the time of love and romance, is always the time for the juniors to entertain the seniors at the annual prom. Last spring the girls in their pretty finery and boys in their more formal attire wended their way to the gym for the gay social occasion. They found the gym transformed into Shangri-la, that perfect land of enchantment. Flowers, bowers, trees, and shrubs made a beautiful setting for the dancing couples. Whether they danced or just sat at the tables and watched, they will remember it always, the day of the junior-senior prom in the high school gym.

Highlight of the junior-senior banquet was the after-dinner program. Jack English acted as toastmaster, Skaya Eidins welcomed the seniors, Lee Brown responded for the seniors, Esther Vander Vlught welcomed the teachers, and Mrs. Meyer responded.

Juniors and Seniors Banquet in Outer Space

Zoom! Blasting off into outer space the juniors charted the course of the seniors in the annual junior-senior banquet held in the gym. Pretty space girls served delicious specialties of the unknown planet. Odd little mechanical men looked down at us from the walls. At the end, before our trip back to earth, a group of speakers entertained us with words of wisdom and mirth. Truly, it was an evening of spaciousness.

Junior - Senior Play

The little dog wasn't the only one who laughed when the juniors and seniors presented "The Little Dog Laughed" in the auditorium on February 26 and 27. The audience roared their delight as they watched the Huntington family go through a series of misadventures.

Laurie, the daughter, comes home from college with a decided interest in psychology and immediately proceeds to put her meager knowledge to use. She alienates her mother's friends, loses a bank loan for her dad, and just generally raises havoc with the usually normal family.

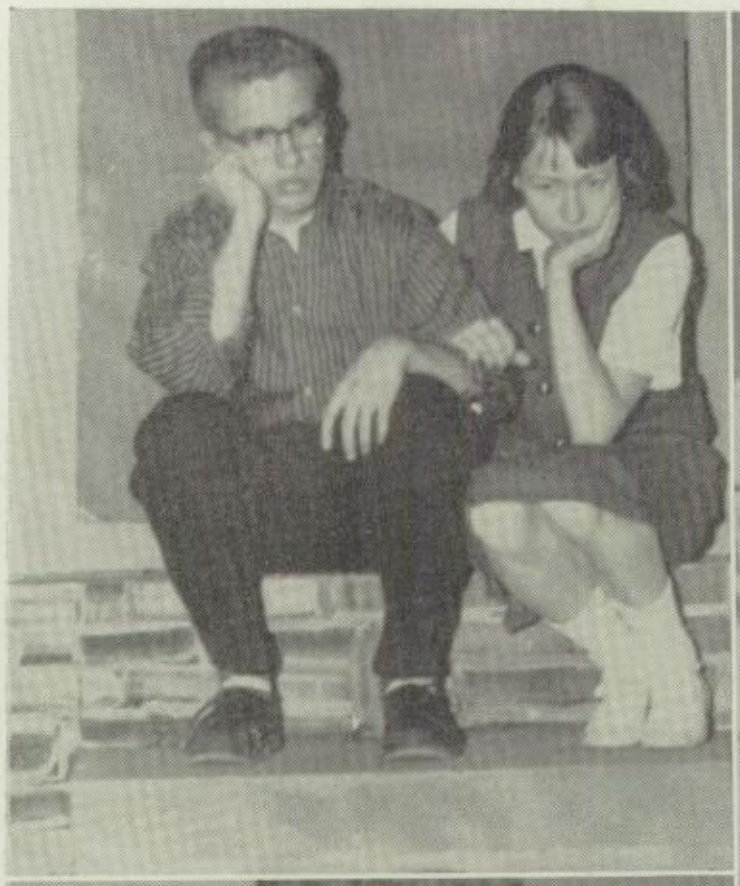
Mr. Van used nineteen persons in the play with ten more appearing as doubles in the second performance. James Mellor starred as the father with JoAnn Boersma, Ann Johnson, Sandra Earl, Merry Spoor, Gary Clark, and Dennis Garn appearing as other members of the family.

Upper: James Mellor, alternately elated and dejected, proved a big hit as the head of the house. **Lower:** Tired but happy at the end of the play are Mr. Van, director, Carol Laney, Joan Spoor, property managers, and Judy Modders, prompter.

Left below: Little brother, Gary Clark, pesters Merry Spoor. **Right:** Members of the battling families are Susan Porter, Peter Komblevitz, Maxine Anderson, Gary Clark, James Mellor, and Ann Johnson.

Upper left: Peeking at the ink blot tests are the tea party ladies, Sally Loughrin, Judy Linn, Beverly Benton, Stella Cochrane, and Mona Lee Gran. **Lower left:** Aghast at a dead bird in the living room are Sandra Nelson, Norma Feltman, Mary Alice Faunce, Judy Clough, and Esther Vander Vlught. **Upper right:** The lovers, Roger Mannisto and Sandra Earl, get no privacy with little Peter Blick around. Whiffet is also an interested spectator.

Left: JoAnn Boersma, with thermometer in mouth, has found her energy peak. **Center:** Cynthia Sorensen, the maid with a 210 I.Q. is off for college. **Right:** Peter Blick and Sandra Earl's little dog, Whiffet, popped in and out of the stage action and got many a laugh.



Upper left: Dennis Garn and Sandra Keelean made up after their spats, but they aren't very happy about their family situation. **Above:** Raymond Fulk, Nancy Merren, and Douglas Fairbanks added color to the play. **Left:** Ricky Boynton shows off his "Melipius Umbellus Umbellus" to an adoring Carol Blick.

Painters Help Actors Stage Productions

Earl Fulk, Robert Ide, Donald Pruetz, and Jon Cook of Mr. Flickinger's stage design class paint the scenery for "The Little Dog Laughed."

Angry father catches Candy with a houseful of prohibited guests in the sophomore presentation of **Father Says No.** In the group are Hiltje Sluiter, Jeffrey Eubank, Donna Richardson, Julie Daugharty, Carole Telgenhoff, Raymond "Irish" Fulk, William Brauer, and Gary Clark

A popular number on the assembly series program was the trained animal act.

Left: Someone is always certain to get thrown into the water at a school picnic. Larry Walters pulls the trick on Joan Spoor. **Right:** "It's a hit" as Byron Van Pelt swings and catcher Charles Durham watches the ball sail to the distant trees at school camp.

End of School Year Brings Picnic Fun

Weather is warm; school is almost out; spirits are high. What could be more perfect conditions to add up to a wonderful time at a class picnic. The picnics held at Camp Torenta are one of the highlights of the spring activities. Each class and several of the major organizations take this opportunity to say "Good-bye" to the seniors.

Juniors and seniors halt their picnic fun long enough to fill up on typical picnic food.

A bench in the sun suited Gloria Marvin, Carole Raisanen, Dina Sandelius, and Deanne Oman.

Parents' Association Aids Choir Members

Sixty members, the largest in the choir's history, burst into song this year when Mr. Stevens waved his baton. To raise money enough to buy robes for so great a number, an association of choir parents was formed. They helped the choir by putting on rummage sales and baked goods sales. Enough money was raised to procure uniforms for all the members.

The singers appeared on television programs and at social gatherings. They participated in massed festivals with choirs from other schools. In May they presented the annual "Spring Sing" with the Junior High glee clubs and grade school chorus.

Ready to furnish a little music are the vocal trio, Michael Evans, Lester Moyer, and Charles Durham.

Tri-Hi-Y Club Carries on Many Projects

Along with the usual activities of Tri-H-Y such as sponsoring Maidens' Week, the Drag, bake sales, and coat checking, the girls started a study group to look into school problems. For the third year they continued to sponsor their adopted "son" Anthony "Tony" Kametos of Greece. Money was raised through various projects to place a stained glass window in the chapel of the new Y.M.C.A. in Seoul, Korea. For homecoming the girls sold big gold mums.

Eleven girls attended the state Hi-Y Youth Legislature in December. Sandra Earl was auditor general for the session. The club's bill, requiring a yearly safety check on automobiles, was the first bill passed by the legislature and signed by the Youth Governor. Hi-Y Club Presents School Flag to C. H. S.

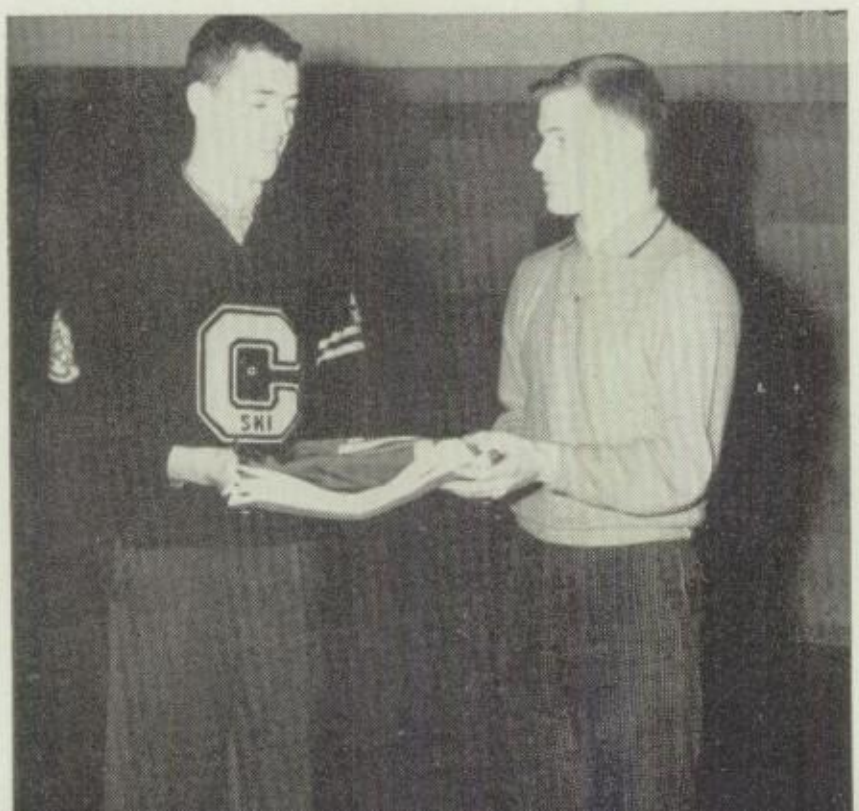
Projects and activities were characteristic of another busy year for the Hi-Y Club. The club presented the school with its first school flag which is to symbolize the respect and fondness the students have for the school. An American flag was presented to the school at a special ceremony.

Other activities of the club throughout the year were sponsoring football programs, a car wash, a pancake supper, sending representatives to pre-legislature, legislature, and Older Boy's Conference.

Brian Blanchard, president of the Hi-Y Club, presents a new school flag to Michael Evans, governor of the Student Council.



Representatives at the Hi-Y Tri-Hi-Y Legislature were Ronald Weiss and George Currier, State Photographer Norman Lamar, House Sergeant at Arms, Thomas Huckle, Senator Brian Blanchard, and Jeffrey Laizure. Ray Sigler served as alternate.

A scholarship was offered again this year. The scholarship was awarded on the basis of information supplied to the National Honor Society committee by the applicants. The winner will receive 50 dollars the first semester and an additional 150 dollars the second semester if he maintains a C average or better. The boy receiving the award was Jeffrey Laizure.

Assisting Mr. Babcock with the leadership of the club were President Brian Blanchard, Vice President Steven Frisbie, Secretary Ronald Weiss, and Treasurer James Dewey.

Y-Teens Correspond with Other Y-Teen Units

The Y-Teens started a successful year with their induction banquet with both junior and sophomore girls coming in. With the homecoming they held the annual burning of the dummy and sold shakers for football fans. When Christmas arrived they went Christmas carolling at one of the local convalescent homes and had a party afterwards. To begin the new semester they sponsored the Valentine dance, "Heart String Swing." Easter seemed to bring on the time of making favors for the children at Mercy Hospital. As spring neared again it brought on the idea of their year's final party.

Many helpful activities during the year were donations to March of Dimes and the filling of boxes for the Red Cross. Something new that was begun this year that brought new interests was the beginning of correspondence with Y-Teens in other states and countries.

This coming summer everyone is looking forward to the summer conference. The officers are Donna Harris, president; Carole Harris, vice-president; Margaret Smrekar, treasurer, and Diane Edberg, secretary; Miss Burwell is the adviser.

During exam week the teachers took time off for a few minutes to have a cup of coffee and a roll. The Tri-Hi-Y girls furnished the refreshments and were assisted by the Y-Teens.

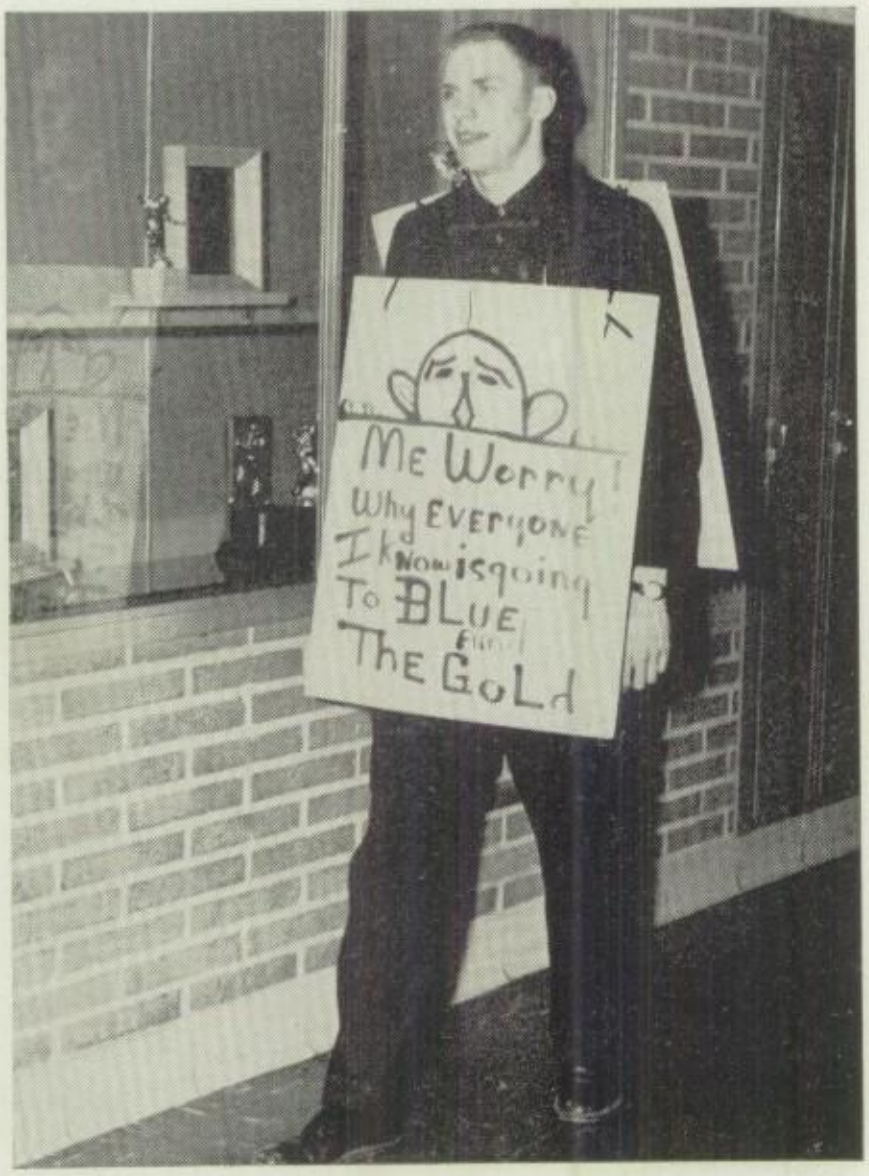
Varsity Club Boys Help at Tournaments

To advertise the Varsity Club Blue and Gold dance Jack English walked the halls as a sandwich man.



The Varsity Club is composed of letter winners in the various sports offered at C. H.S. The club engages in many projects. For the past five years they have sponsored the Blue and Gold dance. They sponsored th Hollywood All Stars, a girl's basketball team, which payed the faculty in a very hilarious game.

Anyone who has ever been to the tournament games has probably noticed many boys doing various jobs such as parking cars, sweeping floors, and running the clocks. During January the club put out canisters to help with the polio drive. Every summer the club sponsors the Spring Sports picnic for the members of the track, tennis, and golf teams.

Loren Campbell is president. He was assisted by Harry Thompson, vice-president, and Byron Van Pelt, secretary-treasurer. Mr. Becker is the adviser.

Top row: Karen Benton, Rachel Campbell, Stella Cochrane, Sharon Williams, Judy Wiles, Nancy Soukup, Sharon Knuth. **Second row:** Lois Hogberg, Janice Kipp, Kathleen McLeod, Connie Schmidt, Jacqueline Duncan, Karen Hoisington, Ginger Bigelow. **Third row:** Virginia Valley, Diane Davidson, Ann Davis, Rochelle McDonald, Karen Balisdell, Linda Haines, Catherine Mottor, Marilyn Flint. **Fourth row:** Hiltje Sluiter, Norma Feltman, Jean Ferguson, Miss Bayes, Dale Kuhn, Ann Spriggs, Beverly Mannisto, Jane Kedrowski. **Front row:** Bonnie Caldwell, Beverly Benton, Judy Olney, Lynn Orvis, Judy Johnson, Joyce Keller.

The Girls Play Rough Games Too

The object of the Girls' Athletic Association is to promote interest among girls in athletic activites, health, leadership, and sportsmanship. It is open to any girl in high school and meets Monday nights. The club gives the girls opportunity to win their school letters by participating in such sports as basketball, volleyball, and speedball.

Besides the regular sports events, the club has many other activities. Various fund raising programs such as selling baked goods and sweat shirts are carried on. Award banquets are held midway through the year and at the end.

Leading the club is Beverly Benton, president; assisting her are Judy Olney, vice president; Lynne Orvis, secretary and treasurer. Advising the girls for her first time was Miss Ann Bayes.

They Learn about Vocation of Nursing

The Future Nurses' Club was organized to encourage and prepare girls for a career in nursing. The girls learn the fundamentals of nursing from special speakers and from their adviser. Mrs. Anna Marie Nelson, R.N., school nurse, is the club's adviser. The officers are President Judith Johnson, Vice President Sharon Nugent, Secretary Mary McKernan, and Treasurer Karen Lamar.

The special activities of the club were taking a tour of Mercy Hospital under the direction of Sister Mary Pierre, R.S.M., making decorations and trimming the trees at the hospital, and making Valentine favors for the hospital trays. They also had bake sales and held parties. Two girls attended a workshop in Gaylord, Michigan, in December where it was decided that Cadillac would be the sight of the first regional meeting for the Northern Lower Peninsula. The rally was held on April 11, 1959, and was very successful and well attended. A mother-daughter banquet was held.

Blizzard Blows the School Doors Shut

It hasn't happened very often, not since 1922 in fact, that Cadiliac schools have been closed because of the weather, but it really happened in our year. On February 10 the snow came down and the wind blew it around. Roads and streets became filled with drifts. Fearful that the roads would be so clogged by nightfall that the pupils would be unable to get home, students were dismissed early in the day.

At 1:30 Mr. Austin announced that school would be closed for the rest of the day. Hilarious as they strolled past the huge snow drifts are Karen Benton, Susan Porter, Charles Worden, Brain Blanchard, Carol Greeley, Douglas Strange, Roger Asiala, Pamela Henry, and John Smith.

Enthusiasm

Win — Lose or Draw, we're all pretty proud of the enthusiasm and high spirit shown by Cadillac High School students and teams during your sports events. It's good training to practice enthusiasm, for no matter where you go, you will find it a measure of success.

It is always especially refreshing to meet the enthusiasm of youth in an older person, for one of the greatest losses that comes with age is the loss of this quality.

Use your enthusiasm freely, practice it, and carry it with you ALWAYS.

Remember, enthusiasm is **not** a sign of adolescence but a sign of youth and strong spirit.

Now we are in Senior high for our second year. Just think we'll be Seniors next year. I'll always remember you in my home room. Running to get to yours on time. Oh Well. Next year we won't have that problem we'll be all in the same home room.

JACK'S RESORT SERVICE

Hi Karen—
Well, I guess it's time to tell you how much I've enjoyed this school year. Since I had you as a teacher for Eng. 1 & 2 I've looked forward to Eng. class - knowing it would be fun. Remember Dr. Seuss book report? Also the year we had to do a long (?) autobiography? I thought it was dumb at the time, but I'm glad we did it. Sometimes I regret not taking honors classes, but I'm sure I'll be glad I didn't when I get "big." Thanks for a terrific year. Good luck next year. Keep up the good work. Love, Brenda.

Karen,
Remember all the good times we've had in history + 1 semester of English!? Those were the days. See you next year when we're big Seniors. Good luck + keep up the good work.
Love,
Brenda -

Responsibilities-

Yours and Mine

Dear Karen,
Best of luck in everything you do.
Love ya,
mary

As you graduate you enter a new era. You are at a point when responsibility and decision will be yours. We hope you have properly prepared yourself up to this point. Some of you in order to further prepare yourself will seek further education. Education is a tool to be used throughout your life.

While it is necessary to work cooperatively with others, nevertheless individual thinking has been a vital cog in the progress and growth of our country and thus you must learn to think for yourself. Make your own decisions as to what is right or wrong — decisions which will be fair and not prejudiced. This is essential if we are to remain a free nation.

Remember the quotation of Abraham Lincoln, "You cannot help man by doing for him what he should do for himself."

Karen -
Lots of luck to a real swell girl. A real live nut too. Keep up your nice smile and personality always.

Love,
Shirley

Last Day to Remember

The final day of our year of days has arrived. We clean out our lockers, gather up our books, and make our final exit. It's been a year of many memories. Goodbye and farewell.

Karen,
Remember all the fun we had in study hall and during lunch don't forget how mad I used to get when you'd say something to Bill about me. Love ya anyway. Mary McK.
